Overdrive eAudiobooks on Windows or Mac computers & laptops and portable MP3 players (iPod nano, shuffle, any other player)

With OverDrive for Windows (desktop), you can download and listen to audiobooks on your computer, transfer them to MP3 players, and burn them to CDs.

Audiobooks require Overdrive Media Console

- 1. Go to app.overdrive.com and click Get Started
- 2. Click Available for Mac or Download for Windows Desktop Note: Windows 10 users can use the Libby app instead, if listening on the computer (and not transferring to an MP3 player)

- 3. Run or Open the downloaded file to start the setup wizard.
- 4. When the setup wizard opens, follow the prompts to install OverDrive.

Go to http://pls.overdrive.com in a web browser on your computer, and click Sign In

Select your library from the list, and then enter your library card number

Click **Search** to reveal the simple search box. Continue by clicking **Advanced** to create a search limited by format, genre, availability, etc.
