HERITAGE TREE REMOVAL PERMIT APPLICATION

Public Works 701 Laurel St., Menlo Park, CA 94025 tel 650-330-6760

Property owner signature and date

Please have the follo	wing documents before submitting an application online through the City's online permit portal:
□ Completed and signed version of this form; □ Obtain an arborist report from a City-approved consulting arborist; and □ Attach a landscape plan or complete the replacement tree section below. Please refer to heritage tree replacement requirements for a list of appropriate replacement trees and guidelines to estimate the monetary values of replacement trees. □ Additional documents are required for development-related heritage trees. The online submittal process requires additional contact information and detailed information on each tree proposed	
for removal. Incomplete applications will not be processed. The form may be signed digitally, or the form may be printed, signed and scanned. If you are signing digitally, please note that the signature should be added last, after all the proposal information has been entered.
