

WALKING SAFETY

Stop
at the curb's edge

Look
left, right, and
behind you

**Make
Eye Contact**
with drivers

Cross
with heads up and
looking around

BIKING SAFETY

Be Predictable

Follow all traffic laws and stop at stop signs.

Be aware of traffic. Ride single file in the direction of traffic. Ride in a straight line on the right side of the road. Use lights when riding at night.

Use Hand Signals

Right Turn

Slow or Stop

Left Turn

Wear Your Helmet

Your helmet should cover your forehead and rest just above your eyebrows.

Straps should form a V under ears when buckled.

Tighten the strap so it is snug under your chin.

Watch for Shared Lane Markings

Ride down the center of this "sharrow" symbol to stay outside the door zone on streets without bike lanes.

DRIVING TIPS

Slow Down: Watch and stop for students and families crossing, especially when other vehicles block your view.

Park Safely: Park, stop, and load students only in designated spaces.

Follow Traffic Laws: Avoid mid-block U-turns and keep crosswalks, accessible parking spaces, fire hydrants, bus stops, and driveways clear.

HOW TO USE THIS MAP: This suggested route to school map is intended to encourage adults and students to consider walking or bicycling to school. Adults are responsible for choosing the most appropriate option based on their knowledge of the different routes.

Note: Use caution when walking and biking along roadways without designated sidewalks or bike facilities. Walk on the shoulder facing traffic as close to the edge of the road as possible.
