PREAMBLE

This Memorandum of Understanding is entered into by and between Service Employees' International Union, Local 521, CTW, CLC (hereinafter "Union") and the City of Menlo Park (hereinafter "City"). This Memorandum of Understanding is entered into pursuant to the Meyers-Milias-Brown Act (Government Code Sections 3500-3510) and has been jointly prepared by the parties.

ARTICLE 1: RECOGNITION

- 1.1 The Union is recognized as the exclusive representative for the classifications of City employees as listed in Appendix "A" to this Agreement. Nothing herein shall be construed to discriminate against any individual who chooses to exercise their right of self-representation under Section 3502 of the Government Code.
- 1.2 Each newly established job classification shall be assigned to an appropriate representation unit by the Human Resources Director, after consultation with recognized employee organizations, if they find that there is an appropriate unit to which such job classifications may be assigned. An employee organization may appeal in writing from such assignment to the Human Resources Director within thirty (30) calendar days of said determination. If the Union is unsatisfied with the results of said appeal, the Union may invoke impasse procedures in accordance with Government Code 3500.

In general the City shall adhere to objectives which require that the appropriate unit shall be the broadest feasible grouping of positions that share an identifiable community of interests. Factors to be considered may include:

- a. Similarity of the general kinds of work performed, types of qualifications required and the general working conditions.
- b. History of representation in the City and similar environment.
- c. Consistency with the organizational patterns of the City of Menlo Park.
- d. Number of employees and classifications, and the effect on the administration of employer-employee relations created by the fragmentation of classifications and proliferation of units.
- e. Effect on the classification structure and impact on the stability of employer-employee relationship of dividing single or related classifications among two or more units.

ARTICLE 2: UNION SECURITY

2.1 Agency Shop

2.1.1 Duty of Fair Representation. The Union, as the exclusive representative, has the duty to provide fair and non-discriminatory representation to all employees covered by this Memorandum of Understanding, regardless of whether they are members of the Union.

2.1.2 Union Dues/Voluntary Deduction: A Bargaining Unit employee may at any time execute a payroll deduction authorization form (“Deduction Authorization Form”) (including any Union dues, COPE contributions, or other deductions permitted by law) as furnished by the Union.

2.1.3 The Union will be custodian of records for such Deduction Authorization Form (“Authorization”) and will provide the City with a Certification that it has and will maintain an Authorization, signed by the individual from whose salary or wages the deduction or reduction is to be made. The Union shall not be required to provide the City a copy of the Authorization unless a dispute arises about the existence or terms of the Authorization. However, the Union will provide the City with adequate information in the Certification document for each employee to allow the City to identify the appropriate level of deductions.

The City shall begin deductions in the amount prescribed by the Union in the first full payroll period after receipt of written Certification. The City shall transmit such payment to the Union through electronic funds transfer no later than thirty (30) days after the deduction from the employee’s earnings occurs.

2.1.4 The City shall direct employee requests to cancel or change deductions to the Union and shall rely on information provided by the Union regarding whether deductions were properly canceled or changed.

2.1.5 Each regular pay period, the City shall provide the Union with a list of the names, addresses, classifications, and membership status of all unit employees except those who file written notice with the Personnel Division objecting to the release of addresses, in which case information will be transmitted without address. Once a month, the City shall supply the Union with a list of representation unit new hires, terminations and retirements that occurred during the previous month.

2.1.6 Within 30 days of the date of hire, the City will provide the name, job title, department, work location, work, home, and personal cellular telephone numbers, personal email addresses on file with the employer, and home address of each newly hired bargaining unit employee. However, if any employee files a written notice with the Personnel Division objecting to the release of home

phone, personal cell phone, personal e-mail address, or home address, the list will be provided without that information.

The City will provide the foregoing information for all bargaining unit employees every four (4) months.

2.1.7 The Union shall indemnify and hold the City, its officers and employees, harmless from any and all claims of any nature whatsoever, and against any claim or suit instituted against or involving the City arising from the execution of the City's obligations contained in this Article or from the use of the monies remitted to the Union, including the costs of defending against such actions or claims.

2.2 New Employee Orientation

On a monthly basis, the Department of Human Resources will provide a list of new employees hired into the SEIU bargaining unit. SEIU will be permitted thirty (30) minutes to make a presentation to these new employees. Human Resources will not attend the Union's presentation.

SEIU and Human Resources will coordinate a time for the monthly orientation. Human Resources will coordinate a meeting location for the Union Presentation and will notify new employees and supervisors of the time and location of the Union orientation. Employees will be provided thirty (30) minutes release time to attend the Union orientation. If an employee is unable to attend the Union orientation, they will be permitted release time to attend the next Union orientation meeting. However, employees will be provided no more than thirty (30) minutes of release time in total for the Union Orientation.

2.3 Except in cases of emergency, the Union shall be informed sufficiently in advance in writing by Management before any proposed changes not covered by this Memorandum of Understanding are made in benefits, working conditions, or other terms and conditions of employment which require the meet and confer or meet and consult process.

2.4 Bulletin Boards. The City shall furnish and maintain bulletin board space for use by the Union of a size and location mutually agreeable to the City and the Union. The bulletin board space provided shall be clearly identified as Union bulletin board space. The board may be used for the following subjects:

- (a) Information on Union elections, reports, newsletters and notices;
- (b) Reports of official business of the Union, including reports of committees or the governing boards thereof;
- (c) Scheduled membership benefits, programs and promotions;

- (d) Any other written material pertaining to the official business of the Union, the Santa Clara County or San Mateo County Central Labor Council or the Committee on Political Education (COPE).

ARTICLE 3: REPRESENTATION

- 3.1 It is agreed that, as long as there is no disruption of work, five (5) Union representatives shall be allowed reasonable release time away from their work duties, without loss of pay, to act in representing a unit employee or employees on grievances or matters requiring representation. The Union shall designate the five (5) representatives under this section. The Union shall notify the City in writing of the names of the officers and representatives. Upon request, the City may approve release time for other bargaining unit members to represent a unit employee or employees under this Section. Only one (1) representative shall be entitled to release time under this section for any one (1) grievance or group of related grievances. Subject to the provisions of Section 3.2, release time shall be granted for the following types of activities:
 - 3.1.1 A meeting of the representative and an employee or employees in the unit related to a grievance.
 - 3.1.2 A meeting with Management
- 3.2 The Union agrees that the representative shall give advance notification to their supervisor before leaving the work location except in those cases involving emergencies where advance notice cannot be given. Release time is subject to the legitimate scheduling needs of the department.
- 3.3 Seven (7) Union representatives who are City employees, up to a maximum of two (2) employees from any department, shall be allowed a reasonable amount of time off without loss of pay for formal negotiation purposes. Preparation time for negotiations shall not be on release time without approval of the Human Resources Director. The Chapter Chair will not count towards the seven (7) total released employees or the maximum number of released employees from their department.
- 3.4 Nine (9) Union representatives, up to a maximum of two (2) employees from any department, shall be allocated up to one (1) hour per month time off without loss of pay for purposes of attending monthly Stewards' meetings. Employees shall normally be allowed to adjust their lunch period adjacent to this time.

ARTICLE 4: DEFINITIONS

- 4.1 Definitions
 - 4.1.1 A "temporary" or "contract" employee is an employee employed for a definite

term of up to six months, although such temporary employee may be held over for up to three (3) additional months when the temporary employee is filling a vacancy created by leave without pay and the leave is extended beyond the initial fixed period.

A student intern may also be considered a temporary employee, provided they are not otherwise eligible for inclusion in the bargaining unit under the criteria listed in Article 1.

Recreation leaders and other recreation employees who commonly perform work at a level below a Recreation Supervisor may remain temporarily employed indefinitely. A temporary employee is not eligible for benefits provided in this agreement.

4.1.2 A “provisional” employee is an employee employed for a definite term of more than six (6) months, although such provisional employee may be held over beyond the initial term of employment as specified in Section 12.4.1. A provisional employee shall be employed and treated in all respects for the entire term of employment as a provisional employee, the same as a probationary employee.

4.1.3 A “probationary” employee is an employee who has not yet completed the probationary period, or any extension(s) thereof, as provided in this Agreement. A probationary employee is eligible for benefits provided in this Agreement, except as limited by Sections 6.1.5 and 6.1.8 of this Agreement.

4.1.4 A “permanent” employee is an employee who has satisfactorily completed the probationary period, or any extension(s) thereof. A permanent employee is eligible for benefits provided in this Agreement.

ARTICLE 5: LAYOFF AND RE-EMPLOYMENT

5.1 Layoff

5.1.1 Whenever in the judgment of the City Council it becomes necessary in the interests of economy or because the position no longer exists, the City Council may abolish any position or employment in the competitive service, or may reduce the hours of any position. The decision to abolish a position or reduce the hours of any position shall not be subject to the grievance procedure contained in this Agreement.

5.1.2 It is agreed between the parties that attrition is the preferred method of accomplishing any necessary reduction in the work force.

5.1.3 If a permanent reduction of hours is proposed for a particular classified position, the incumbent has the right to exercise any and all of the rights set forth in this Article. The incumbent may also choose to be laid off and receive the benefits contained in this article.

5.2 Notification of Layoff

5.2.1 Employees being laid off shall be given written notice from the City's Personnel Officer at least forty-five (45) calendar days prior to the effective dates of layoff. The layoff notice shall contain a statement of the effective date of layoff, a statement of "bumping rights" including the specific positions into which the employee may bump, and a statement of re-employment rights. Notice of layoff shall be given by personal service and the employee shall sign an acknowledgment of personal service; or by certified mail, return receipt, postage prepaid. The Union shall receive concurrent notice of individual layoff notices.

5.2.2 Upon request, the Union shall be afforded an opportunity to meet with the City to discuss the circumstances requiring the layoff and any proposed alternatives.

5.3 Seniority

5.3.1. For the limited purposes of this Article 5, "length of service" means all hours in paid status including holiday, vacation, and paid leave, but does not include any hours compensated for overtime or standby, unpaid illness, unpaid industrial accident leave, or hours served as a temporary or contract employee in classifications other than the classification in which the employee is being laid off.

5.3.2 In the event an employee reverts to a previously held classification, seniority shall include all time accrued previously in the lower classification, as well as all time accrued in the higher classification.

5.3.3 No seniority credit shall be earned during periods of separation from service with the City, including suspension without pay as a result of disciplinary action.

5.4 Order of Layoff

5.4.1 All temporary employees in a particular classification will be laid off before any provisional, probationary or permanent employee in the classification.

5.4.2 All provisional employees in a particular classification will be laid off before any probationary or permanent employee in the classification.

5.4.3 All probationary employees in a particular classification will be laid off before any permanent employee in the classification.

5.5 Layoff Procedures

5.5.1 Except as otherwise provided, layoffs will be made in reverse order of seniority. The employees with the least time served in a classification shall be laid off first, with ensuing layoffs occurring in reverse order of length of service in the classification. If two employees have served the same time in the classification, then as between those two employees, the layoff will be based on total time of service with the City. If total time of service with the City is the same, then, as between those two employees, the layoff will be determined by a lottery.

5.6 Bumping Rights

5.6.1 A permanent employee who is designated for layoff, including an employee on probation following reclassification, transfer, or promotion from a permanent position, may elect, in lieu of layoff, to be reassigned to a position in a lateral or lower related classification within their department, or another department, provided that in order to displace the employee with less service the laid off employee must have held permanent status in the classification into which they are bumping.

5.6.2 When a senior employee chooses to bump into a position in a lateral or lower, related classification, said employee must accept the salary, hours, and working conditions of the position to which return is requested.

5.6.3 A bargaining unit employee requesting to bump into a classification as provided herein, must make such request to the Personnel Officer in writing within seven (7) calendar days of their receipt of written notice of layoff. Failure to comply with the deadline provided herein shall be deemed a waiver of the bumping rights provided in this Section 5.6.

5.6.4 Nothing herein shall preclude bumping between AFSCME and this bargaining unit.

5.7 Re-employment

5.7.1 The names of employees laid off shall be placed on a re-employment list in inverse order of seniority for a period of two (2) years from the date of layoff. The employee with the greatest seniority on the re-employment list shall be offered reinstatement when a vacancy occurs in a classification in which the employee held permanent status.

- 5.7.2 A laid off employee may refuse an offer of re-employment to a position for which they are qualified, however, refusal of two (2) offers of re-employment to the classification from which laid off shall automatically cause removal of the employee's name from the re-employment list and loss of any re-employment rights.
- 5.7.3 Any employee who accepts an offer of re-employment shall have their name removed from the re-employment list.
- 5.7.4 An employee who has been laid off and has been placed on a re-employment list shall be eligible, during the time the employee is on the re-employment list, to take promotional exams.
- 5.7.5 Offers of re-employment shall be made via the U.S. Mail Service, Certified Return Receipt, and shall include the specific position and/or hours being offered, the rate of pay, level of benefits, a current job description, a mechanism for acceptance or refusal of the offer of re-employment within the prescribed time limit, and a place for the laid off employee's signature. Failure to respond within ten (10) days from the date of service of offer of re-employment shall be deemed a refusal of that offer of re-employment.

The Union shall receive concurrent notice of each re-employment offer. Date of service is defined as the date marked on the certified mail return card, or the date the notice is returned by the postal service as undeliverable.

5.8 Miscellaneous Provisions

- 5.8.1 For the limited purpose of Article 5, permanent employees, including employees on probation following reclassification, re-employment, reinstatement, transfer, promotion, or demotion from a permanent position who are laid off shall be entitled to one (1) month severance pay and three (3) months of paid health insurance.
- 5.8.2 Employees appointed from a re-employment eligibility list shall have all rights accrued at the time of layoff restored including accrued sick leave, rate of vacation accrual and seniority, but excluding benefits to the extent compensation therefore has been received prior to re-employment. Severance pay, if any, shall not be repaid.

ARTICLE 6: PERSONNEL ACTIONS

6.1 Probation

- 6.1.1 The probationary period shall be regarded as part of the testing process and shall be utilized for closely observing the employee's work, for securing the

most effective adjustment of a new employee to a prospective position, and for rejecting any probationary employee whose performance is not satisfactory.

- 6.1.2 During the seventh pay period following employment, the employee shall receive a performance evaluation. Human Resources shall send a reminder notice of this deadline to the appropriate supervisor, with copies to the employee and City Manager.
- 6.1.3 All original appointments shall be subject to a probationary period of twelve (12) months for unit members. All promotional appointments shall be subject to a probationary period of six (6) months except for Police Department Communications Officers, who shall be subject to a probationary period of twelve (12) months. The Human Resources Director may, based upon the recommendation of the employee's supervisor, extend the probationary period not to exceed six (6) months if the employee marginally performed the necessary job functions and needs an additional six (6) months to bring performance to a satisfactory level. Total cumulative absences of two (2) weeks or more shall extend the review period by the corresponding duration of the absence.
- 6.1.4 At least one month prior to permanent appointment the City shall begin to review the work of the probationary employee to determine the following:
 - a. certify them for the position;
or
 - b. extend the probation;
or
 - c. reject them for the position.

The City shall take action on this determination by the last day of the probation period by notifying the employee in writing. If the notification is delayed by more than five working days following the last day of probation, the employee shall become permanent.

- 6.1.5 If the service of a probationary employee is unsatisfactory, the employee will be notified in writing that they have been rejected for the permanent position. Said notice shall contain the reasons for rejection. The Human Resources Director shall, upon request, afford an interview in a timely fashion to the terminated employee for discussion of the reasons for termination. The employee may, upon request, be accompanied by a Union representative. The interview shall not be deemed a hearing nor shall it obligate the City to reconsider or alter the termination action.
- 6.1.6 An employee deemed unsatisfactory for a position shall return to their prior classification and non-probationary status in that classification and to the pay step they would have had if not promoted, transferred or voluntarily demoted.

- 6.1.7 Departments may not shift job assignments as a reason in itself for placing an employee on probationary status.
- 6.1.8 The parties agree that probationary employees shall have the same rights as other employees under this Memorandum of Understanding, including full and complete access to the grievance procedure, except that employees who do not hold prior permanent status with the City shall have no right to review any disciplinary action or decision to unfavorably terminate the probation.

Employees who do hold prior permanent status shall have the right to appeal any disciplinary action, but not the decision to unfavorably terminate the probation.
- 6.1.9 A probationary period begins on the first day of work when the employee is selected to fill a permanent position.

6.2 Performance Evaluation

- 6.2.1 The City may, from time to time, develop reasonable guidelines that enable the supervisor to adequately evaluate the employee as to satisfactory job performance. Job performance reviews shall be conducted pursuant to regularly established and announced policies. The guidelines shall be in accordance with the job specifications for the position being reviewed.
- 6.2.2 Performance evaluations will be given to employees at least annually, but normally no more than twice a year, as scheduled by Management. Additional evaluations may be scheduled where there is documented evidence in preceding evaluations of the employee's inability to perform significant duties of the position. Management must complete performance evaluations by the date stated on the job performance form. After signing the evaluation to acknowledge receipt, the employee will have ten (10) working days in which to write a response. Signature of the evaluation will not constitute agreement with its contents.

Performance evaluations are not appealable through the grievance procedure but, in the event of disagreement over content, the employee may request a review of the evaluation with the next higher level of Management, in consultation with the Human Resources Director. For purposes of this review, the employee may be represented by the Union. Decisions regarding evaluation appeal shall be made in writing within ten (10) working days following the meeting.

6.3 Performance Improvement Plans

When the performance of an employee falls below minimum standards established for a position a performance improvement plan may be developed. The employee has the right to have a Union representative present during the development of the performance improvement plan. Performance improvement plans must describe in detail the areas of deficiency, and contain a reasonable plan for improvement.

When used, Performance Improvement Plans shall be an integral extension of the job performance review process, and shall not be used, by themselves, for disciplinary actions.

6.4 Personnel Files

6.4.1 Human Resources shall maintain personnel records for each employee in the service of the City showing the name, title of position held, the department to which assigned, salary, changes in employment status, attendance records and such other information as may be considered pertinent. An employee is entitled to review their personnel file upon written request or may authorize, in writing, review by their Union representatives, with the exception of information obtained confidentially in response to reference inquiries. Upon written request by the employee, an employee or the Union shall be allowed copies of materials in an employee's personnel file relating to a grievance.

6.4.2 The City shall notify an employee of any adverse material placed in their personnel file if that material is or has not previously been reviewed with the employee. The employee shall have a reasonable time and opportunity to comment thereon.

6.4.3 In any disciplinary action the City may not rely upon any previous written warnings, notice of suspension or demotion, or written evaluation not contained in said file as justification for any personnel action which adversely affects the employee in question, but may rely on oral warnings not made a part of the file and issued within the preceding six (6) months. In the event an employee who has received written warnings or reprimands has completed twenty-four (24) months of work without further disciplinary action, their prior disciplinary record of similar instances, except for sustained findings of violations of the City's Anti-Harassment and Non-Discrimination Policy, shall no longer be relied upon in any determination which in any manner affects their employment status and shall be removed from the employee's personnel file upon request from the employee. In cases where an employee is suspended or demoted and such discipline is sustained, a record of such action shall be kept in the personnel file and any such documentation supporting such action shall be kept in a separate file in the Human Resources Department.

6.4.4 Personnel files of individual employees are confidential information and shall be used or exhibited only for administrative purposes or in connection with official proceedings before the City Council. The City will only release

information to creditors or other persons upon proper identification of the inquirer and acceptable reasons for the inquiry. Information then given from personnel files is limited to verification of employment, length of employment, any individual salary and benefit information, and any other information requested under the freedom of information act and deemed to be public information. Release of more specific information may be authorized in writing.

6.5 Promotional Opportunities

- 6.5.1 Promotional opportunities for classifications within the representation unit will be posted for at least ten (10) working days (Monday through Friday) prior to closing applications. Such postings shall include a description of the type of examination and screening process that will be used in filling the position. Any test given shall relate to the skills, knowledge, and abilities necessary to perform the job.
- 6.5.2 The top two (2) permanent bargaining unit members applying for promotional opportunities for classifications within the representation unit and who meet the minimum qualifications for the position will be interviewed regardless of the number of interviewees otherwise requested by the hiring department. When possible, the top two (2) permanent bargaining unit members applying for promotional opportunities outside of the representation unit and who meet the minimum qualifications for the position will be interviewed.
- 6.5.3 The City shall notify the employee applying for the promotion, in writing, of the City's decision to grant or deny the promotion upon request of the employee.

6.6 Reclassification

- 6.6.1 During the term of this Agreement, the City shall notify the employee concerned in case of contemplated change in job content as contained in the classification descriptions which were in effect at the beginning of the Agreement. The Union shall be notified in advance of any contemplated changes in classification descriptions and such changes shall be discussed with the Union, provided that the City shall have the final decision regarding job content. The Union shall be given a reasonable opportunity to meet and confer on the impact of any such changes on matters within the scope of representation.
- 6.6.2 Once each year, during the month of January, an employee may request in writing a re-evaluation of a Classification based on significant changes in job content or significant discrepancies between job content and the classification description. The request must contain justification. A statement by Management that a job re-evaluation request will be submitted with the

department budget does not relieve an employee from the responsibility of submitting their own request in a timely manner. If meetings are held, the employee may request representation by the Union. The City will process the request and issue a recommendation within ninety (90) days. The City shall not agree to a change in the appropriate pay level for a job description until the Union has received a copy of the proposed change and has been given the opportunity to meet and confer with the City. Reclassifications shall become effective after City Council approval of the budget, retroactive to the first pay period of the fiscal year. Human Resources shall notify the Union at least ten (10) days prior to recommending a reclassification. Upon request, the Human Resources Director will meet and confer with the Union to determine whether the employee shall be subject to a probationary period. In cases where there is a dispute regarding the recommendation of the Human Resources Director, the recommendation may be appealed to the City Manager, whose decision shall be final and not subject to the arbitration provisions of Article 15, Grievance Procedure.

- 6.6.3 In conducting classification studies, the compensation figure calculated for each City shall consist of the following components: base salary, employer paid employee contributions to the retirement system, and deferred compensation contributions made by the employer on behalf of the employee
- 6.6.4 The reclassification procedure shall not be used for the purpose of avoiding use of the promotion or demotion procedures.
- 6.6.5 Salary step placement upon reclassification shall be in accordance with Article 7.4.1 (Effect of Promotion on Salaries).

6.7 Flexible Staffing

- 6.7.1 The term “flexibly staffed” position refers to those specifically designated positions within a classification series containing an entry level (I or Assistant) classification and journey level (II or Associate) classification and which can be filled at either of those two levels.
- 6.7.2 The currently identified flexibly staffed positions are:

- Accountant I/II
- Accounting Assistant I/II/Senior
- Assistant / Associate / Senior Planner
- Assistant / Associate / Senior Transportation Planner
- Building Inspector I/II

After the City fills the position, promotion to the next level shall be considered after the most recent performance review reflects that acquired skills and experience have advanced to the next level. Additional levels may be available for advancement into other represented groups (i.e., AFSCME).

ARTICLE 7: PAY RATES AND PRACTICES

7.1 Overall Wage Adjustments

7.1.1 General Salary Increases

Effective the beginning of the first full pay period following July 1, 2024, the pay rates for employees in this representation unit shall be increased by an amount equal to one and one half percent (1.5%).

Effective the beginning of the first full pay period following July 1, 2025, the pay rates for employees in this representation unit shall be increased by an amount equal to three and one half percent (3.5%).

7.1.2 Market-Based Equity Adjustments

Effective the first full pay period following the later of July 1, 2023 or the City Council's adoption of the MOU, the City shall increase the base pay for each benchmark classification with a total compensation of more than five percent (5%) below market median, as determined by the City's 2022 Total Compensation Survey ("Survey"), by the percentage the Survey determined the classification to be below market median. In addition, each non-surveyed classification that is tied to a benchmark classification will receive a base wage

increase sufficient to maintain an appropriate differential between levels (and to correct internal discrepancies).

Based on the survey and the internal salary alignments, the parties have agreed to the following market-based equity adjustments:

- Communications Dispatcher 6.77%
- Communications Training Dispatcher 7.00%
- Senior Communications Dispatcher 8.93%

Market-based equity adjustments are independent of the GSI, and will be implemented in an additive (non-compounded) fashion.

7.1.3 Lump Sum Payment

SEIU bargaining unit members who are employed as of the first pay period following City Council adoption of the resolution authorizing amendments to the MOU will receive a one-time lump sum payment of **\$2,000**. The Parties intend and understand that this lump sum payment is non-pensionable and will not be reported to CalPERS. The parties also agree that this payment is intended to be specific to the pay period in which it is paid and is to be considered part of the regular rate for this pay period only.

7.2 Step Increases

Merit advances from the first salary step and subsequent steps shall be granted at one (1) year intervals if the affected employee has demonstrated continued competent service. For the purpose of determining step time requirements, time will commence on the first day of the month coinciding with or following entrance onto a salary step. Step increases shall be effective on the first day of the payroll period in which the time requirements have been met.

7.3 Application of Rates

7.3.1 Employees occupying a position in the competitive service shall be paid a salary or wage within the range established for that position's class under the pay plan as provided. The minimum rate for the class shall normally apply to beginning employees. However, subject to the approval of the Personnel Officer, the department head may hire beginning employees who are especially qualified by their training or by their previous experience at any step in the range.

7.3.2 In the event that a newly hired employee is placed above Step A on the salary schedule due to recruitment problems, as opposed to the conditions in 7.3.1 above, incumbents in that classification who have been placed on a lower step of the salary schedule will be moved to the same step on the salary schedule as the newly hired employee, and all such employees will be allowed to move to the next step in six months.

7.4 Effect of Promotion, Demotion or Transfer on Salaries

7.4.1 Promotion

Upon promotion, an employee's salary shall be adjusted as follows:

7.4.1.1 If the first step in the salary range for the employee's new position is at least five percent (5%) greater than the employee's current salary range, the employee shall be moved to the first step of the new salary range.

7.4.1.2 If the first step in the salary range for the employee's new position is less than five percent (5%) greater than the employee's current salary range, the employee shall be moved to the step which would provide at least a five percent (5%) increase in salary.

7.4.1.3 If no step in the salary range for the new position would provide the employee with at least a five percent (5%) salary adjustment, the employee shall be moved to the top step of the new salary range.

7.4.2 Demotion

Upon demotion of an employee with permanent status in their current class, their salary shall be adjusted to the highest step in the new class not exceeding the salary received in the former class.

7.4.3 Transfer

Upon transfer, the salary shall remain unchanged.

7.5 Bilingual Differential

7.5.1 Employees who are assigned to job duties requiring bilingual skills are eligible to receive Sixty-Five Dollars (\$65.00) each pay period for the use of bilingual skills in job duties arising during the normal course of work.

7.5.2 Eligibility for the bilingual pay differential shall be determined by the Personnel Officer on the basis of a proficiency test developed and administered by the City.

7.5.3 Bilingual skills shall not be a condition of employment except for employees who are hired specifically with that requirement. If an employee is hired under this provision, that requirement shall be included in the initial appointment letter.

7.5.4 The City retains the right to discontinue the bilingual differential for any individual employee when bilingual services are no longer required, provided the City gives the exclusive representative ten (10) days' notice prior to such revocation, in order to allow the opportunity for the parties to meet and consult.

7.5.5 No employee shall be required to use bilingual skills who is not compensated under this section.

7.6 Call Back Pay

7.6.1 An employee who is required by the City to report to their normal work location on a day when they have not been scheduled, or an employee called back to work after they have completed their regular work day and left the worksite, shall be entitled to a minimum of three (3) hours of compensation at one and one-half times their regular rate of pay. Call back pay shall not apply to scheduled overtime, employees on standby, or where the City requires an employee to remain at the worksite after the completion of their regular work shift.

7.6.2 Employees who do not return to their normal work location, but who are required to work remotely, are not eligible for call back pay, but shall be paid for time actually worked at one and one-half times their hourly rate of pay.

7.6.3 Payment for call back may be at the cash rate specified in Section 7.6.1 above or in compensatory time off at the rate of one and one-half hours for each hour worked, at the employee's option. Prior to the end of the pay period, the employee shall designate, on the appropriate City form, their choice of either compensation at the flat dollar rate or one and one-half times their regular rate of pay, whichever is greater or compensatory time off.

7.7 Standby Pay

7.7.1 An employee performing standby duty outside the employee's regular work shift shall be compensated at the rate of two (2) hours of their base rate of pay for each weekday and three (3) hours of their base rate of pay for each weekend day or holiday the employee is assigned to standby duty. An employee shall not combine standby pay with call back pay or overtime.

7.8 Rest Period Following Emergency Work

7.8.1 Bargaining unit employees in the Police or Public Works Departments shall be entitled to eight (8) hours of rest period when they work more than sixteen (16) hours within a twenty-four (24) hour period beginning with the time the employee reports to work.

7.8.2 Prior to working over sixteen (16) hours within a twenty-four (24) hour period and triggering the eight (8) hour rest period the employee must get approval from the Department Director or their designee.

7.8.3 Rest periods are unpaid unless the rest period overlaps the employee's regular work shift in whole or in part. The employee will be paid for that portion of the rest period that overlaps the employee's normal working shift. The employee will be required to work the remainder of their normal working shift that does not overlap with the eight (8) hour rest period unless they request and are approved for leave. The employee will not be paid for the time between expiration of the rest period and their normal work shift.

7.8.4 This section shall not apply in emergency situations.

7.9 Working Out of Classification

7.9.1 The term "working out of classification" is defined as a Management authorized assignment to perform work on a temporary basis wherein significant duties are performed by an employee holding a classification within a lower compensation range. The employer shall notify employees in advance of making such assignments. Pay for working out of classification shall be as follows:

7.9.1.1 An employee performing duties associated with a higher position, whether filled or unfilled, on an out of classification basis will receive acting pay of five percent (5%) for the hours worked in that capacity.

When the Department Head anticipates that the out of classification assignment will be for a period of 240 hours or more, the employee will receive the pay rate of the higher classification beginning with the start of the assignment. If such a determination has not been made by the end of the 240 cumulative hours worked in the higher classification, the employee shall receive the pay rate of the higher classification.

7.9.2 Out of classification provisions do not apply to work assignments performed in connection with declared conditions of public peril and/or disaster.

7.10 Night and Weekend Differential

Employees in the Library assigned to work hours between 5:00 P.M. and 8:00 A.M. weekdays or between Friday from 5:00 P.M. to Monday 8:00 A.M. shall be compensated for night and weekend differential at five percent (5%) above the employee's base pay.

Employees in the Police Department assigned swing, midnight, relief or day shift on the weekend shall be compensated for night and weekend differential at five percent (5%) above the employee's base pay. Overtime hours shall not be used to qualify for weekend or night shift differential.

7.11 Court Appearances

Employees required to appear in Court during off-duty hours to testify regarding matters arising out of the employee's employment with the City, shall receive a minimum of four (4) hours pay at time and one-half (1.5). The City reserves the right to require the employee to wait to testify at their work location and perform duties as assigned while waiting to testify, provided the Court consents. If the Court requirement expires prior to the expiration of the four (4) hour minimum, the employee shall be released.

This section does not apply in situations where the employee is held over after or called in prior to their regular shift as long as the period is adjacent to the normal work shift. In these situations, standard overtime provisions shall apply.

ARTICLE 8: HOURS AND OVERTIME

8.1 Hours of Work

8.1.1 Regular Work Schedules

- a. The regular work schedule for all employees except those on a flexible schedule such as a 4/10, or 9/80 schedule, shall consist of forty (40) hours within a seven (7) day work week and is five consecutive days served in units of eight (8) hours. For this schedule, the workweek begins Sunday midnight and ends Saturday at 11:59 P.M.

For this schedule, the workweek shall begin exactly four (4) hours after the start time of the day of the week which is each employee's regular alternate day off.

8.1.2 Part-time Employees. Employees who work less than the regular week and day as set forth above shall be designated as part-time and shall have hours scheduled by the appropriate supervisor and approved by the City's Human Resources Director.

8.1.3 Lunch Periods. All employees working a work shift of six (6) hours or more, except Communications Officers, City Service Officers assigned to patrol or daytime parking enforcement, and Code Enforcement Officers shall observe an unpaid lunch period of not less than thirty (30) minutes nor more than sixty (60) minutes. Lunch periods shall be scheduled with the approval of the department director. When required by the needs of the department, or requested by the employee and authorized by the Department, Communications Officers, City Service Officers assigned to patrol or daytime parking enforcement, Community Service Officers, and Code Enforcement Officers shall take an “on duty” lunch period which shall be counted as time worked.

Employees assigned to a shift of at least five (5) but fewer than six (6) hours may request to observe a regularly scheduled unpaid lunch period of not less than thirty (30) minutes nor more than sixty (60) minutes, which shall not be unreasonably denied. Lunch periods shall be scheduled with the approval of the department director or designee.

8.1.4 Rest Periods. One (1) fifteen (15) minute rest break with pay shall be provided to employees for each four (4) hours of service. Rest periods and lunch periods may not be aggregated and used to extend the lunch period or shorten the work day.

- a. Overtime for employees is defined as any time worked in excess of forty (40) paid hours in any work week as defined in section 8.1.1.
- b. For Communications Officers, overtime shall also include any hours worked outside their normally assigned shift.

Overtime shall be compensated pursuant to Section 8.2.3. All overtime must be authorized and approved in advance by the department director or designee.

8.2.2 Modified Schedules. At the request of either the employee or department director, the department director may approve a schedule of more than eight (8) hours per day without overtime compensation. Such a work schedule must be consistent with the regular work schedules defined in Section 8.1.1.

8.2.3 Overtime. Overtime may be assigned on a required basis or requested by the employee and approved by the department director. Overtime shall be compensated at the rate of one and one-half (1.5) times the employee’s regular

rate of pay or in the form of compensatory time at the rate of one and one-half (1.5) hours for each hour worked, at the employee's option except when the employee's choice of compensatory time would interfere with a department's ability to recover the cost of the overtime.

The parties agree to meet and confer over ways to address the constructive receipt issue with regard to compensatory time, with a goal of implementing changes no later than November 2017.

8.2.4 Compensatory Time. An employee may accumulate a maximum of one hundred sixty (160) hours of compensatory time. Compensatory time may be used when the services of an employee are not needed for the efficient functioning of their department, and must be approved in advance by the department head. Once an employee has reached the limits of compensatory time in this section they shall receive cash at the overtime rate for all overtime worked.

Upon termination, all unused compensatory time shall be paid off at the final rate of pay received by the employee, or the average regular rate received during the last three (3) years of the employee's employment, whichever is higher.

8.3 Work Schedule

All work schedule and flexible time work schedule arrangements presently in effect shall continue. If the City proposes to change the work schedule of a classification the Union shall be notified at least ten (10) working days in advance and given an opportunity to meet and consult over such proposed changes prior to implementation.

ARTICLE 9: UNIFORMS

Community Service Officers, Code Enforcement Officers, Parking Enforcement Officers, and the Property & Court Specialist shall be paid an annual uniform allowance

of One Thousand and Forty Dollars (\$1,040.00) to be used for the purchase and maintenance of uniforms.

The uniform allowance will be paid pro-rata on a bi-weekly basis.

If an employee is on unpaid leave for a period of one (1) full pay period or more, the employee will not receive uniform allowance for that period.

The City will provide uniform jackets and rain gear for Community Service Officers and Parking Enforcement Officers whose work is primarily outdoors. Jackets that are worn or damaged in the course of work will be routinely replaced by the City. It will be the employee's obligation to replace lost or misplaced jackets.

If any other employee is required to wear a uniform during the life of this Memorandum of Understanding, the City will meet and confer with the Union concerning the establishment of an equitable uniform allowance.

- 9.3 On presentation of appropriate receipts, the City shall reimburse employees who are required by the City to wear safety shoes/boots for up to Four Hundred Dollars (\$400) toward the cost of no more than three (3) pairs of OSHA approved safety shoes/boots per year. Shoe repair and resoling are reimbursable under this provision. Shoes/boots purchased under this provision are for the use of the employee exclusively. So long as all required documents are submitted, reimbursements will be processed within two (2) pay periods following supervisory approval. The City will evaluate the potential for a voucher system to replace the current reimbursement system.
- 9.4 Employee clothing seriously damaged or destroyed in conjunction with employment duties will be reasonably replaced by the City.
- 9.5 Employees in the Public Works Department shall be permitted to wear shorts, provided that supervisory approval has been given as to their appropriateness in terms of style, location and safety.
- 9.6 The City shall reimburse Equipment Mechanics in the Maintenance Division who, as a condition of employment, are required to provide their own tools and equipment. Reimbursement will be made for tools that the employee selects to purchase, or for tools required to be added to the inventory in order to carry out their duties. Reimbursement will be made on submission of receipts, but no more than twice per fiscal year. The reimbursement shall be administered in accordance with Maintenance Division policy. Effective July 1, 2016, the City shall reimburse a maximum of one thousand six hundred dollars (\$1,600) per fiscal year.
 - 9.6.1 Tool Inventory. To qualify for reimbursement pursuant to paragraph 9.6.3 below, Equipment Mechanics must provide an inventory of tools which are maintained on City property. The inventory must include the following for

each tool: (1) manufacturer and part number (2) approximate purchase date; and (3) a photo of the tool.

- 9.6.2 The City will cover the replacement of inventoried tools and equipment which are lost on City property due to (1) theft or (2) damage due to normal wear and tear (e.g., accident or fire). Tools left on City property must be properly secured when not in use. No reimbursement will be permitted for loss or damage attributable to the negligence or willful misconduct of the employees.
- 9.6.3 Requests for replacement tools will be made through the normal tort claim process.

ARTICLE 10: HOLIDAYS

Memorial Day	Last Monday in May
Independence Day	July 4
Labor Day	First Monday in September
Veterans Day	November 11

- 10.1.1 Except for Communications Dispatchers and Senior Communications Dispatchers, in the event that any of the aforementioned days, except December 24, falls on a Sunday, the following Monday shall be considered a holiday. In the event that any of the aforementioned days falls on a Saturday, the preceding Friday shall be considered a holiday. In the event that December 24 falls on a Sunday, then the preceding Friday shall be considered a holiday.

Bargaining unit members in the Communications Dispatcher and Senior Communications Dispatcher classifications shall observe Independence Day, Veterans Day, Christmas Day, Christmas Eve and New Year's Day on the actual date of the holiday.

- 10.1.2 Pay for Fixed Holidays. All full-time employees shall be paid eight (8) hours pay at their regular straight time base hourly rate for all fixed holidays as

defined herein. All part-time employees shall be entitled to holiday leave with pay for the number of hours each holiday based on the number of hours per week such part-time employee is indefinitely assigned to work in the employee's regularly scheduled part-time position. An employee who is scheduled to work on a fixed holiday, and who does not work shall use vacation or other appropriate paid/unpaid leave to make up any difference between the holiday and their regularly scheduled shift. An employee will not be paid for more than their regular day's pay for any holiday when they do not work.

Pay for fixed holidays may not be taken as compensatory time off.

10.1.3 Work on Fixed Holidays.

- a. Except for Communications Dispatchers and Senior Communications Dispatchers, any full-time employee required to work on a fixed holiday shall be paid time and one-half for such work in addition to their holiday pay. Work on a fixed holiday beyond the number of hours in the regular shift being worked on the holiday shall be compensated at double time.
- b. Except for Communications Dispatchers and Senior Communications Dispatchers, any part-time employee required to work on a fixed holiday shall be paid time and one-half for such work in addition to their holiday pay. Work on a fixed holiday beyond the number of hours in a regular shift shall be compensated at time and one-half.

Part-time Communications Dispatchers shall be treated the same as full-time employees with regard to double time pay on a holiday.

- c. Bargaining unit members in the Communications Dispatcher and Senior Communications Dispatcher classifications required to work on a fixed holiday shall be paid as follows:
 1. Holidays on Employee's Regular Workday. A Communications Dispatcher or Senior Communications Dispatcher required to work on a fixed holiday which falls on their regular workday shall be paid time and one-half for such work in addition to their regular pay. Work on a fixed holiday beyond the number of hours in the regular shift being worked on the holiday shall be compensated at double time. Employees who work their regular shift on a fixed holiday shall not receive additional holiday pay.

Example 1, if a Communications Dispatcher works a full (10-hour) shift on a holiday which falls on their regular workday, they would be paid a total of 25 hours (10 hours plus 10 hours at time and one half).

Example 2, if a half-time Communications Dispatcher works a full (10-hour) shift on a holiday which falls on their regular workday (scheduled 5 hours), they would be paid a total of 22.5 hours [5 hours plus 5 hours at time and one half (for the 5 hours of their regular shift) plus 5 hours at double time (for time beyond their regular shift).]

2. Holidays on an Employee's Regular Day Off. A Communications Dispatcher or Senior Communications Dispatcher required to work on a fixed holiday on their regular day off shall be paid double time for such work in addition to eight (8) hours of holiday pay (pro-rated for part-time employees,)

For example, if a full-time Communications Dispatcher works a full (10-hour) shift on a holiday which falls on their regular day off, they would be paid a total of 28 hours (8 hours holiday pay plus 10 hours at double time.)

- 10.1.4 A full time employee who is regularly scheduled to work more than eight (8) hours on a holiday may make up the additional hours using vacation, compensatory time, floating holiday time, or unpaid time. In addition, with the approval of their supervisor, and subject to the operational needs of the City, an employee may work additional straight time hours during the same workweek to make up the difference.

A part-time employee who is regularly scheduled to work on a holiday for more hours than they receive in holiday time may use vacation, compensatory time, floating holiday time, or unpaid time to complete their regularly scheduled workweek. In addition, with the approval of their supervisor, and subject to the operational needs of the City, an employee may work additional straight time hours during the same workweek to make up the difference. [For example, an employee who is regularly scheduled to work twenty (20) hours per week receives four (4) hours of holiday pay for the July 4 holiday but is scheduled to work six (6) hours on the day the holiday is observed. The employee may use two (2) hours of vacation to complete their regular workweek.]

- 10.1.5 The City Manager, or designee may close individual worksites or all non-essential City operations on non-City holidays (for example, during the week between Christmas and New Year's). In that event, affected employees shall be encouraged to take time off, however, it shall not be a requirement. Employees electing to take time off may choose to take vacation, compensatory time, floating holiday time or unpaid time during the closure period.

Employees who choose to work on a City closure day may be assigned to perform duties outside of their normal job duties. Any assigned duties must be reasonable in nature. For example, a Public Works employee may be assigned

to perform clerical duties such as file review in City Hall. However, a clerical employee may not be assigned to operate heavy machinery (e.g., a chain saw).

The City Manager will notify employees of any closure between Christmas and New Years on or before the fourth Thursday in November immediately preceding the closure.

10.2 Floating Holiday Time

10.2.1 Day of Reflection

10.2.2 Holiday Closure

For calendar years 2024, 2025, and 2026, employees shall annually receive thirty-four (34) floating holiday hours off with pay, credited on the first pay period of the year. Employees hired after the first pay period of the year shall receive a pro-rated amount of floating holiday hours for the remainder of the calendar year.

10.2.3 Use of Floating Holidays

The following conditions will apply to floating holidays:

- 10.2.3.1 Employees shall request a floating day off in accordance with normal vacation time off request procedure.
- 10.2.3.2 Floating days off must be used during or prior to the end of the twenty-sixth (26th) pay period of the year in which it was credited or be forfeited.
- 10.2.3.3 If an employee fails to take a day off as scheduled, the day off so scheduled will be forfeited, unless a mutually agreeable alternative day off is arranged.
- 10.2.3.4 Any floating day off for employees who work less than full-time or less than a full year shall be prorated on the basis of hours worked as compared to full-time employment.
- 10.2.3.5 Floating holiday balances remaining at the time of separation will be forfeited.

ARTICLE 11: VACATIONS

11.1 Each employee shall be entitled to an annual paid vacation, accrued as follows:

11.1.1 For full-time employees:

Less than three (3) years of service - 88 hours per year.

Three (3) years of service through five (5) years of service - 104 hours per year.

Six (6) years of service through ten (10) years of service - 136 hours per year.

Eleven (11) years of service through fifteen (15) years of service - 152 hours per year.

Over fifteen (15) years of service - 176 hours per year.

11.1.2 For permanent part-time employees: a proportional equivalent based on the assigned number of hours worked per week as compared to those worked by a full-time employee.

11.2 Maximum Accrual

Vacation may be accrued up to a maximum of three hundred thirty-six (336) hours. The maximum accrual for part time employees shall be a proportional equivalent. After reaching said maximum, the employee must take time off or accrual will be frozen. Upon separation, there will be no payment for hours in excess of the maximum accrual.

11.3 Scheduling

The department head shall determine the vacation schedule considering the needs of the department, specifically with regard to the employee's assigned duties and the employee's desires. Use of vacation is subject to the advanced approval of the Department Director or designee. Any and all vacation granted pursuant to this Article shall be granted at time or times as will not reduce the number of employees below that which is reasonably necessary for the efficient conduct of the public business of such department, division or work group. Vacation time requested shall not be unreasonably denied.

11.4 Payment on Separation

Accrued vacation time up to the maximums described in Section 11.3 above shall be paid to an employee permanently separated from City service,

11.5 Vacation Cashout

An employee may cash out vacation leave in accordance with the Vacation Cashout Policy, attached hereto as Appendix "E".

11.6 Illness During Scheduled Vacation

An employee who, during a scheduled vacation period, becomes ill or injured, shall be entitled to have the remaining time off coded as sick leave, under the following conditions:

- a. The employee otherwise qualifies for sick leave as provided by this Agreement and has sufficient sick leave to cover the period; and,
- b. The employee's illness or injury is verified by a statement from an accredited medical doctor for each such day of illness for which leave is requested.

If vacation time has been deducted for the period covered under this Section, and the use of sick leave has been approved, the time will be credited back and sick leave used in its place.

ARTICLE 12: LEAVE PROVISIONS

12.1 Sick Leave

12.1.1 Accrual Rates. The City shall provide each employee with paid sick leave at the rate of eight hours per month, earned on a biweekly basis and computed as follows:

12.1.1.1 Full-time employees may accrue up to a maximum of one thousand four hundred forty (1,440) hours for full time employees, and a proportional equivalent for part-time employees.

12.1.2 Use of Sick Leave. Sick leave shall be allowed and used in cases of actual personal sickness or disability, medical or dental treatment, or as authorized for other necessary health reasons. Up to six (6) days per year of sick leave may be used in cases of actual sickness or disability, medical or dental treatment of members of the employee's immediate family.

If an employee is scheduled to work on a designated City holiday, and subsequently calls in sick, the employee shall not receive holiday pay.

12.1.3 Abuse Enforcement. The City shall be obligated to monitor all sick leave use, and shall take appropriate actions to ensure that benefits are paid out only for use as authorized in Section 12.1.2.

12.1.3.1 Any employee who does not have an accrued sick leave balance and who does not otherwise qualify under the provisions of this Article 12, shall not be paid for any day of sick leave called in, whether genuine or not.

12.1.3.2 Management has the authority to monitor potential sick leave abuse and patterns of abuse, and when there is a reasonable basis for suspecting such abuse, may require medical verification as a condition for payment of sick leave.

12.1.4 Compensation for Accumulated Sick Leave.

12.1.4.1 Resignation. A resigning employee, who was hired into the unit prior to May 4, 2010 and who has fifteen (15) or more years of continuous service shall receive compensation for up to fifteen percent (15%) of their accumulated sick leave balance up to a maximum of five hundred (500) hours. Such compensation shall be based on the employee's rate of pay on their last day paid service to the City.

12.1.4.2 Retirement. An employee who was hired into the unit prior to May 4, 2010 and who retires under PERS from the City may elect to receive cash compensation for fifteen percent (15%) of their accumulated sick leave balance, up to a maximum of one thousand three hundred sixty (1,360) hours, based upon the employee's rate of pay on their last day of paid service to the City, or may convert their sick leave balance, up to a maximum of one thousand three hundred sixty (1,360) hours, to retirement health credits at the rate prescribed in Section 12.1.4.3. Employees may combine any of the above two options.

12.1.4.3 Retirement Health Credit Conversion. An employee who was hired into the unit prior to May 4, 2010 and who has a minimum of five (5) years of continuous service who elects to convert accumulated sick leave to retirement health credits upon retirement from the City may do so under the following schedule:

Five (5) years of service to fifteen (15) years of service: eight (8) hours of sick leave for each retirement health credit, with any remainder being rounded to the next higher credit;

Fifteen (15) years of service to twenty (20) years of service: six (6)

hours of sick leave for each retirement health credit, with any remainder being rounded to the next higher credit;

Over twenty (20) years of service three (3) hours of sick leave for each retirement health credit, with any remainder being rounded to the next higher credit.

If this election is made, the retirement health credit calculated shall not exceed the highest HMO health plan premium as may be in effect at such time such credit is applied. Election shall be made at the time of retirement.

- 12.1.4.4 Layoff. An employee who was hired into the unit prior to May 4, 2010 and who has been laid off may select as compensation for accumulated sick leave one month of paid health insurance for each unit of retirement health credit. After the health insurance benefit paid under Section 5.8.1 has been exhausted, up to a maximum of forty-eight (48) hours of the accrued sick leave balance may be converted to retirement health credits at the rate of one (1) unit for every eight (8) hours of accumulated sick leave with any remainder being rounded to the next higher credit.
- 12.1.5 Double Coverage. Employees who qualify for the retirement health credit conversion may elect double coverage at the rate of two (2) units for every month of paid health insurance.
- 12.1.6 Family Coverage. Employees who qualify for the retirement health credit conversion may elect family coverage at the rate of three (3) units for every month of paid health insurance.
- 12.1.7 Transfer of Sick Leave for Catastrophic Illness. Transfer of sick leave for catastrophic illness is designed to assist employees who have exhausted sick leave due to a catastrophic illness, injury or condition of the employee. This policy allows other employees to make voluntary grants of time to that employee so that they can remain in a paid status for a longer period of time, this partially ameliorating the financial impact of the illness, injury or condition.

A catastrophic illness is defined as an illness which has been diagnosed by a competent physician, requiring an extended period of treatment or recuperation, and which has a significant risk to life or life expectancy. Confirmation of the condition and prognosis by a health care provider chosen by the City may be required.

Human Resources will discuss with the Union or their designated representative an appropriate method of soliciting contributions from

coworkers. The contributions shall be submitted to Human Resources and Human Resources will process the contribution list in the order established. Any employee shall be allowed to contribute a maximum of eighty (80) hours of sick leave from their accrued sick leave balance to another full-time or permanent part-time employee in the City who is suffering from a catastrophic illness and has exhausted their own sick leave, provided, however, they have maintained a positive sick leave balance of forty (40) hours or more following the donation. Once the contribution is made it cannot be rescinded.

Upon return to work, an employee may bank any remaining hours that have been contributed up to a maximum of forty (40) hours. If the contribution list has not been exhausted, the contributing employees will be notified that their contribution was not required and the balance restored.

Determination of employees eligible for the program shall be made by the Human Resources Director, whose decision shall be final.

12.2 Long Term Disability

12.2.1 Should any illness or injury extend beyond forty-five (45) calendar days, the City will ensure continued payment to the employee at 66.67 percent of salary, up to a maximum as provided in the long-term disability policy. The amounts paid shall be less any payments received from either Workers' Compensation or retirement. However, the employee will be required to pay 100% of any premiums.

12.2.2 Employees who have a sufficient amount of sick leave time may, at the employee's option, use sick leave on an hour-for-hour basis to delay the start of the long term disability plan. In determining whether or not an employee shall return to their regular shift following performance of the duties above, reasonable consideration shall be given to such factors as travel time and a period of rest.

12.6 Military Leave

Military leave of absence shall be granted and compensated in accordance with all applicable laws. Employees entitled to military leave shall give the appointing power an opportunity, within the limits of military regulations, to determine when such leave shall be taken.

- 15.2.5 Every effort will be made to schedule meetings for the processing of grievances at times which will not interfere with the regular work day of the participants.
- 15.2.6 Either the City or the Grievant may be represented at any step of the grievance procedure by an individual of the party's choice.

15.3.1.1 Any unit member who believes they have a grievance shall present the grievance orally to the immediate supervisor within ten (10) days after the grievant knew, or reasonably should have known, of the circumstances which form the basis for the grievance. Failure to do so will render the grievance null and void. The immediate supervisor shall hold discussions and attempt to resolve the matter within ten (10) days after the presentation of the grievance. It is the intent of this informal meeting that at least one (1) personal conference be held between the aggrieved unit member and the immediate supervisor.

15.3.2 Level II - Department Director

15.3.2.1 If the grievance is not resolved at Level I and the grievant wishes to press the matter, the grievant shall present the grievance in writing on the appropriate form to Department Director within ten (10) days after the oral decision of the immediate supervisor. 15.3.2.4 Within the above time limits either party may request a personal conference.

15.3.3 Level III - Appeal to City Manager

15.3.3.1 If the grievant is not satisfied with the decision at Level II, the grievant may, within ten (10) days of the receipt of the decision at Level III, appeal the decision to the City Manager. 15.3.3.2 The City Manager or designee shall respond to the grievance in writing within ten (10) days of receipt of the written appeal.

15.3.4 Level IV - Arbitration

15.3.4.1 If the grievant is not satisfied with the decision at Level IV, the grievant may within five (5) days of the receipt of the decision submit a request in writing to the Union for arbitration of the dispute. Within fifteen (15) days of the grievant's receipt of the decision at Level III, the Union shall inform the City of its intent as to whether or not the grievance will be arbitrated. The Union and the City shall attempt to agree upon an arbitrator. If no agreement can be reached, they shall request that the State Mediation and Conciliation Service supply a panel of five (5) names of persons experienced in hearing grievances involving City employees and who are members of the National Academy of Arbitrators (NAA). Each party shall alternately strike a name until only one (1) name remains. The remaining panel member shall be the arbitrator. The order of striking shall be determined by lot.

15.3.4.2 If either the City or the Union so requests, a separate arbitrator shall be selected to hear the merits of any issue raised regarding the arbitrability of a grievance. No hearing on the merits of the grievance will be conducted until the issue of arbitrability has been decided. The process to be used in selecting an arbitrator shall be as set forth in 15.3.5.1.

15.3.4.3 The arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues submitted to him. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step.

- 15.3.4.4 The City and the Union agree that the jurisdiction and authority of the arbitrator so selected and the opinions the arbitrator expresses will be confined exclusively to the interpretation of the express provision or provisions of this Memorandum at issue between the parties. The arbitrator shall have no authority to add to, subtract from, alter, amend, or modify any provisions of this Memorandum or impose any limitations or obligations not specifically provided for under the terms of this Memorandum. The arbitrator shall be without power or authority to make any decision that requires the City or the administration to do an act prohibited by law.
- 15.3.4.5 After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit in writing to all parties their findings and award.
- 15.3.4.6 The arbitrator shall make a final and binding determination.
- 15.3.4.7 The fees and expenses of the arbitrator shall be shared equally by the City and the Union (including the cost of any list of arbitrators requested pursuant to Section 15.3.4.1). All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other. Either party may request a certified court reporter to record the entire arbitration hearing. The cost of the services of such court reporter shall be paid by the party requesting the reporter or shared by the parties if they both mutually agree. If the arbitrator requests a court reporter, then the costs shall be shared by both parties.

15.4 Disciplinary Appeals

- 15.4.1 A “disciplinary appeal” is a formal written appeal of a Notice of Disciplinary Action (post-Skelly) of any punitive disciplinary action including dismissal, demotion, suspension, reduction in salary, letters of reprimand, or transfer for purposes of punishment. However, letters of reprimand are not subject to the arbitration provisions of this procedure. This procedure also shall not apply to the rejection or termination of at will employees, including those in probationary status. Any reduction in pay for change of assignments which occurs in the course of regular rotation and is not punitive shall not be subject to this procedure.
- 15.4.2 Persons on probationary status (entry-level or promotional) may not appeal under this agreement rejection on probation. Letters of Reprimand may be appealed under this section only to the City Manager level (Section 15.4.4).
- 15.4.3 Any appeal to any punitive disciplinary action (as defined in Section 15.1.2) shall be presented in writing to the City Manager within ten (10) days after

receipt of the Notice of Disciplinary Action. Failure to do so will be deemed a waiver of any appeal. The City Manager or designee shall hold a meeting to hear the appeal within ten (10) days after the presentation of the appeal and shall issue a decision on the appeal within ten (10) days of the presentation of the appeal. For letters of reprimand, the City Manager's decision shall be final. However the employee may write a response and have that response included in their personnel file.

- 15.4.4 For appeals from dismissal, demotion, suspension, or reduction in salary, if the employee is not satisfied with the decision of the City Manager, the employee may, within ten (10) days of the receipt of the decision, submit a request in writing to the Union for arbitration of the dispute. Within twenty (20) days of the City Manager's decision, the Union shall inform the City of its intent as to whether or not the disciplinary matter will be arbitrated. The Union must be the party taking the matter to arbitration.
- 15.4.5 The parties shall attempt to agree to the selection of an arbitrator and may agree to strike names from a list provided by an outside agency such as the State Mediation and Conciliation Service. However, in the event that the City and the Union cannot agree upon the selection of an arbitrator within forty-five (45) days from the date that Union has notified the City of its intent to proceed to Arbitration, either party may request the Superior Court of the County of San Mateo appoint an arbitrator who shall be a retired judge of the Superior Court of San Mateo County.
- 15.4.6 The City and the Union agree that the arbitrator shall prepare a written decision containing findings of fact, determinations of issues and a disposition either affirming, modifying or overruling the disciplinary action being appealed. The parties expressly agree that the arbitrator may only order as remedies those personnel actions which the City may lawfully impose.
- 15.4.7 The fees and expenses of the arbitrator (including the cost of any list of arbitrators) shall be shared equally by the City and Union. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other. Either party may request a certified court reporter to record the entire arbitration hearing. By mutual agreement, the cost of the services of such court reporter shall be shared equally by the parties. However, each party shall be responsible for the cost of transcripts that they order.
- 15.4.8 Nothing herein constitutes a waiver of City or employee rights otherwise granted by law.

- 18.1.4 The City has the sole and absolute right to determine size and composition of the work force and allocate and assign work by which the City operations are to be conducted;
- 18.1.5 The City has the sole and absolute right to determine and change the number of locations, relocations and types of operations, processes and materials to be used in carrying out all City functions;
- 18.1.6 The City has the sole and absolute right to make all decision relating to merit, necessity or organization of City Service;
- 18.1.7 The City has the sole and absolute right to discharge, suspend, demote, reprimand, withhold salary increases and benefits, or otherwise discipline employees in accordance with applicable laws;
- 18.1.8 The City has the sole and absolute right to establish employee performance standards including, but not limited to, quality and standards, and to require compliance therewith;
- 18.1.9 The City has the sole and absolute right to take necessary actions to carry out its mission in emergencies; and
- 18.1.10 The City has the sole and absolute right to exercise complete control and discretion over its organization and the technology of performing its work.
- 18.1.11 The City has the sole and absolute right to take any and all steps necessary to discharge the City's responsibilities to provide for the safety of the public it serves and to provide employees with a safe working environment; provided,

however, nothing herein shall preclude the Union from providing input, consulting and/or meeting and conferring with the City as required by law on such safety issues so long as such actions do not prevent the City from discharging these responsibilities.

- 18.2 The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the City, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Memorandum and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the United States and the Constitution and laws of the State of California.
- 18.3 The exercise by the City through its Council and management representatives of its rights hereunder shall not in any way, directly or indirectly, be subject to any grievance procedure nor subject to meeting and conferring.

ARTICLE 19: CONCERTED ACTIVITIES

- 19.1 As used in this Article 19, “strike or work stoppage” means the concerted failure to report for duty, the willful absence from one’s position, the stoppage of work, or the abstinence in whole or in part from the full, faithful performance of the duties of employment for the purpose of inducing, influencing or coercing a change in the conditions of compensation, or the rights, privileges or obligations of employment.
- 19.2 It is agreed and understood that there will be no strike, work stoppage, slowdown, or refusal to fully and faithfully perform job functions with responsibilities, or any interference with the operations of the City, or any concerted effort designed to improve its bargaining position which interferes with, impedes, or impairs City operations by the Union or by its officers, agents or members. The Union agrees that neither the Union nor its officers, agents or members will, in any manner whatsoever, honor, assist or participate in any picketing activities, sanctions or any other form of interference with City operations by any other non-unit employees or members of other employee associations or groups.
- 19.3 Furthermore, the Union agrees that the provisions in this Article 19 are enforceable by the City in a Court of law. The City may, upon its own election, initiate such court action as it deems appropriate to enjoin or impose damages on the Union, its officers, agents or members for activities referred to herein.
- 19.4 It is further agreed and understood that neither the Union nor its officers, agents, or members shall engage in any boycott, picketing or any other concerted attempts to discourage, impair or negatively affect the businesses of members of the City Council.
- 19.5 Nothing herein shall be deemed to limit the remedies available to the City in dealing with concerted activities as described hereinabove.

ARTICLE 20: SEPARABILITY

If any provision of this Agreement shall be declared void or unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall remain in full force and effect, except that either party to the Agreement may request the other party to meet and confer in regard to amending the Agreement to replace the provisions declared void or unenforceable. However, there will be no obligation on either party to agree on a replacement provision.

ARTICLE 21: DISCIPLINARY ACTION

- 21.1 For just cause, the City has the right to discipline, including suspend, demote, or discharge permanent employees for unsatisfactory work or conduct.
- 21.2 Non-probationary employees whose work or conduct is unsatisfactory but not sufficiently deficient to warrant discipline, demotion, or discharge will be given a written notification of unsatisfactory work or conduct and an opportunity to improve. Failure to correct deficiencies and improve to meet standards may result in discipline, demotion or discharge. Reprimands shall not be subject to the arbitration provisions of Article 15, Disciplinary Appeals.
- 21.3 A Notice of Intended Discipline (NOID) must be in writing and served on the employee in person or by registered mail prior to the disciplinary action becoming effective. The Chief Steward of the Chapter and the Union shall also be given a copy unless the employee submits a written request to Human Resources that the Notice of Intended Discipline not be forwarded to the Union. The Notice of Intended Discipline must be filed on a timely basis with the Human Resources Department. The Notice of Intended Discipline shall include:
 - 21.3.1 Statement of the nature of the disciplinary action;
 - 21.3.2 Statement of the reasons for the proposed action;
 - 21.3.3 Statement in ordinary and concise language of the act or the omissions upon which the reasons for the proposed disciplinary action are based; and
 - 21.3.4 Copies of any documents or other items of evidence upon which the intended disciplinary action was fully or in part based.
 - 21.3.5 In cases of demotion, discharge, or suspension of employees in permanent status at the time of the discipline, the Notice of Intended Discipline shall include a statement of the employee's right to respond, either orally, at a meeting requested by the employee, or in writing. The opportunity to respond

shall be afforded prior to the action becoming effective, but the employee must respond no later than five (5) days after receipt of notice of intended disciplinary action. A conference, if requested, shall be scheduled and held as soon as possible but in no event later than thirty (30) days after receipt of notice of intended disciplinary action.

ARTICLE 22: TRANSFER

22.1 Definition

22.1.1 For purposes of this Article, a “transfer” shall consist of a change in work location of an employee from one work site to another work site within the City. Such a transfer does not encompass the process of assignment of a specific position and responsibilities within the department or work location. An employee assigned to more than one work site shall be considered as being transferred only when moved from one City-wide program to another program. A transfer may be initiated by an employee (“voluntary”) or by the City (“administrative”).

22.2 Voluntary Transfers as a Result of Posting and Filling Vacancies

- 22.2.1 A “vacancy” is a new position, an opening arising from a resignation, retirement, or termination, any position to which an employee is not assigned or which is not committed for purposes of leaves, unresolved administrative transfers or layoffs.
- 22.2.2 Notices of vacancies shall be posted for at least five (5) working days on the bulletin board in the City’s administrative offices. Such notices shall be posted as soon as the City determines that a vacancy exists and shall include the position description, location, and other special requirements.
- 22.2.3 The request for transfer will be sent to the Human Resources with a copy to the Department Director. A conference shall be held at the request of the employee or Human Resources in order to discuss the request.
- 22.2.4 For purposes of selection between two or more employees requesting transfer to a vacant position, the City shall consider the training experience, competencies, length of service in the City, past evaluations, and qualifications of each employee.
- 22.2.5 When the City has considered two or more employees requesting a transfer to a vacant position to be relatively equal on the basis of training, experience, competence, past evaluations, and qualifications, the employee with the most City-wide seniority shall be selected for transfer to the vacant position.

22.2.6 The City shall notify the employee requesting transfer, in writing, of the City's acceptance or denial of the request. The City shall provide written reasons for not granting the transfer request upon the request of the employee. Transfer requests shall be acted upon prior to filling positions by promotion or outside applicants.

22.3 Administrative Transfers

22.3.1 An administrative transfer may be initiated by the Human Resources Director or their designee and shall be based exclusively on the work related special needs of the City and/or welfare of the employees involved and will not be for punitive or capricious reasons.

22.3.2 In the event that circumstances require that an employee be transferred on an administrative basis, the employee and the Union shall be informed of the reason(s) in writing prior to such action and shall be afforded an opportunity to meet with the Human Resources Director regarding the proposed transfer.

22.3.3 For purposes of selecting which employee shall be administratively transferred in order to meet the needs of the City, the City shall consider the training, experience, competencies, length of service in the City, past evaluations, qualifications, and current classification of each employee considered. All things being relatively equal, the employee with the least City-wide seniority will be transferred.

22.3.4 If total time of service with the City for two (2) or more employees considered equal is the same, then, as between those employees, the transfer will be determined by a lottery.

22.4 Length of Service Defined

22.4.1 For the purpose of this Article, "length of service" means all hours in paid status including holiday, vacation, and paid leave, but does not include any hours compensated for overtime or standby, unpaid illness, unpaid industrial accident leave, or hours served as temporary or contract employee in classification other than the classification from which the employee is being transferred.

22.4.2 No seniority credit shall be earned during periods of separation from service with the City, including suspension without pay as a result of disciplinary action.

ARTICLE 23: SAFETY

23.1 It is the City’s intention to provide the safest possible equipment and working conditions to the workforce of the City of Menlo Park. Toward that end, the City is committed to making the necessary expenditures to purchase this equipment.

23.2 The Union and the City agree to continue to participate in the City Safety Committee.

ARTICLE 24: CONTRACTING SERVICES

The City shall notify the Union at least sixty days in advance of the effective date of the proposed action to contract services and shall, upon request, meet and confer with the Union regarding the contracting out of any work to an independent contractor which results in the elimination of a filled bargaining unit position, layoff, or permanently reduces the hours worked by a member of the unit. This provision would also apply if a position was frozen and contract services used to fill the position for more than one annual budget cycle. This provision is not intended to expand upon or contract any rights or obligations already granted or imposed by law. This provision does not mean that the Union is agreeing in advance to anything other than to meet and confer.

ARTICLE 25: TERM OF AGREEMENT

This Agreement shall remain in full force and effect up to and including June 30, 2026, and thereafter shall continue in effect year by year unless one of the parties notifies the other in writing no earlier than January 30 of any year, and no later than March 30 of any year, of its request to modify, amend, or terminate the Agreement. If the parties enter into subsequent meeting and conferring regarding a successor agreement, the terms and conditions of this Agreement shall remain in effect until a successor Agreement is reached, or until meeting and conferring is concluded.

The terms of this Agreement shall be effective upon the adoption of this Agreement by the City Council except as otherwise provided by specific sections of this Agreement.

APPENDIX "C"

Menlo Park Labor Management Committee

GOAL

The Union and Management have a sincere desire to maintain and improve their progressive, mature and cooperative labor relations/personnel relationship throughout the length of the contract.

MEETINGS

In order to facilitate this, the parties agree to meet as necessary to discuss work and personnel/labor relations related issues of interest to either the employees or management. These meetings shall not replace informal grievance meetings nor the responsibilities of the parties to meet and confer pursuant to the law and the agreement. However topics may include preliminary discussions of matters which may later develop into more formal concerns to be dealt with in official forums.

PARTICULARS

In attendance will be representatives from the City of Menlo Park, as determined by the issues to be discussed. A Union staff person and three members selected by the union shall represent the employees. Additional department heads, members or consultants may be included as necessary.

Agenda shall be set in advance and mutually agreed to except that there shall be a regular item for either party to confirm or dispel rumors in labor relations/personnel topics since the last meeting.

Additional meetings may be set with mutual agreement.

Minutes shall be taken with each side alternately taking responsibility for taking and reproducing them. Confidential personal issues shall be discussed off the record and summarized in the minutes.

CALPERS LABOR MANAGEMENT COMMITTEE

Effective for the term of this agreement, the City and Union agree to the establishment of a Labor Management Committee (LMC) to serve as an advisory committee and to facilitate employee education and involvement in issues regarding CalPERS retirement benefits, including but not limited to, potential future costs increases and the impacts of said cost increases to the financial stability of the City.

The City and the Union shall each select their own representatives and in equal number, with no more than three (3) on each side. Each side is encouraged to propose issues for discussion, and the committee will jointly set priorities. Decision making within this forum will be by consensus. The LMC will set up regular meetings to occur not less than once per quarter and a means for calling additional meetings to handle issues on an ad hoc basis.

The LMC is not authorized to meet and confer or create contractual obligations nor are they to change the MOU to authorize any practice in conflict with existing contracts or rules.

STATE DISABILITY INSURANCE LABOR MANAGEMENT COMMITTEE (SDI-LMC)

Effective for the term of this agreement, the City and Union agree to the establishment of a Labor Management Committee to explore the possibility of the City enrolling employees into the California State Disability Insurance program (SDI –LMC). The SDI-LMC shall evaluate the benefits of enrolling employees in CSDI and consider the benefits of different payment structures (e.g., City contributions versus employee contributions) and will make recommendations on these issues.

The City and Union shall each select their own representatives in equal number, with no more than three (3) on each side. The SDI-LMC is not authorized to meet and confer or create contractual obligations nor are they to change the MOU to authorize any practice in conflict with existing contracts or rules.

The City and Union will consider the recommendations of the SDI-LMC and will meet and confer over those recommendations, but neither will be under any obligation with regard to the SDI-LMC's recommendations.

SPECIAL LABOR MANAGEMENT SUB-COMMITTEES

Effective for the term of this agreement, the City and Union agree to the use of a special Labor Management Sub-Committee to serve as an advisory committee and to facilitate employee education and involvement regarding the performance appraisal program and the City of Menlo Park Dental and Vision Plan.
