COMMISSIONS/COMMITTEES POLICIES AND PROCEDURES, ROLES AND RESPONSIBILITIES

City Council Procedure #CC-19-0004
 Effective 3/5/2019
 Resolution No. 6477

Purpose
To define policies and procedures and roles and responsibilities for Menlo Park appointed commissions and committees.
Authority
Upon its original adoption, this policy replaced the document known as “Organization of Advisory Commissions of the City of Menlo Park.”
Background
<p>The City of Menlo Park currently has eight active Commissions and Committees. The active advisory bodies are: Complete Streets Commission, Environmental Quality Commission, Finance and Audit Committee, Housing Commission, Library Commission, Parks and Recreation Commission, Planning Commission, and the Sister City Committee. Those not specified in the City Code are established by City Council ordinance or resolution. Most of these advisory bodies are established in accordance with Resolution 2801 and its amendments. Within specific areas of responsibility, each advisory body has a primary role of advising the City Council on policy matters or reviewing specific issues and carrying out assignments as directed by the City Council or prescribed by law.</p> <p>Seven of the eight commissions and committees listed above are advisory in nature. The Planning Commission is both advisory and regulatory and organized according to the City Code (Ch. 2.12) and State statute (Government Code 65100 et seq., 65300-65401).</p> <p>The City has an adopted Anti-Harassment and Non-Discrimination Policy (CC-95-001), and a Travel and Expense Policy (CC-91-002), which are also applicable to all advisory bodies.</p>
Policies and Procedures
<p><u>Relationship to City Council, staff and media</u></p> <ul style="list-style-type: none"> • Upon referral by the City Council, the commission/committee shall study referred matters and return their recommendations and advise to the City Council. With each such referral, the City Council may authorize the City staff to provide certain designated services to aid in the study. • Upon its own initiative, the commission/committee shall identify and raise issues to the City Council’s attention and from time to time explore pertinent matters and make recommendations to the City Council. • At a request of a member of the public, the commission/committee may consider appeals from City actions or inactions in pertinent areas and, if deemed appropriate, report and make recommendations to the City Council. • Each commission/committee is required to develop an annual work plan which will be the foundation for the work performed by the advisory body in support of City Council annual work plan. The plan, once finalized by a majority of the commission/committee, will be formally presented to the City Council for direction and approval no later than September 30 of each year and then reported out on by a representative of the advisory body at a regularly scheduled City Council meeting at least annually, but recommended twice a year. The proposed work plan must align with the City Council’s adopted work plan. When modified, the work plan must be taken to the City Council for approval. The Planning Commission is exempt from this requirement as its functions are governed by the Menlo Park municipal code (Chapter 2.12) and State law (Government Code 65100 et seq., 65300-65401). • Commissions and committees shall not become involved in the administrative or operational matters of City departments. Members may not direct staff to initiate major programs, conduct large studies or establish department policy. City staff assigned to furnish staff services shall be available to provide general staff assistance, such as preparation of agenda/notice materials and minutes, general review of

department programs and activities, and to perform limited studies, program reviews, and other services of a general staff nature. Commissions/Committees may not establish department work programs or determine department program priorities. The responsibility for setting policy and allocating scarce City resources rests with the City's duly elected representatives, the City Council.

- Additional or other staff support may be provided upon a formal request to the City Council.
- The staff liaison shall act as the commission/committee's lead representative to the media concerning matters before the commission/committee. Commission/Committee members should refer all media inquiries to their respective liaisons for response. Personal opinions and comments may be expressed so long as the commission/committee member clarifies that his or her statements do not represent the position of the City Council.
- Commission/Committee members will have mandatory training every two years regarding the Brown Act and parliamentary procedures, anti-harassment training, ethics training, and other training required by the City Council or State Law. The commission/committee members may have the opportunity for additional training, such as training for chair and vice chair. Failure to comply with the mandatory training will be reported to the City Council and may result in replacement of the member by the City Council.
- Requests from commission/committee member(s) determined by the staff liaison to take one hour or more of staff time to complete, must be directed by the City Council.

Role of City Council commission/committee liaison

City Councilmembers are assigned to serve in a liaison capacity with one or more city commission/committee. The purpose of the liaison assignment is to facilitate communication between the City Council and the advisory body. The liaison also helps to increase the City Council's familiarity with the membership, programs and issues of the advisory body. In fulfilling their liaison assignment, City Councilmembers may elect to attend commission/committee meetings periodically to observe the activities of the advisory body or simply maintain communication with the commission/committee chair on a regular basis.

City Councilmembers should be sensitive to the fact that they are not participating members of the commission/committee, but are there rather to create a linkage between the City Council and commission/committee. In interacting with commissions/committee, City Councilmembers are to reflect the views of the City Council as a body. Being a commission/committee liaison bestows no special right with respect to commission/committee business.

Typically, assignments to commission/committee liaison positions are made at the beginning of a City Council term in December. The Mayor will ask City Councilmembers which liaison assignments they desire and will submit recommendations to the full City Council regarding the various committees, boards, and commissions which City Councilmembers will represent as a liaison. In the rare instance where more than one City Councilmember wishes to be the appointed liaison to a particular commission, a vote of the City Council will be taken to confirm appointments.

City Staff Liaison

The City has designated staff to act as a liaison between the commission/committee and the City Council. The City shall provide staff services to the commission/committee which will include:

- Developing a rapport with the Chair and commission/committee members
- Providing a schedule of meetings to the City Clerk's Office and commission/committee members, arranging meeting locations, maintaining the minutes and other public records of the meeting, and preparing and distributing appropriate information related to the meeting agenda.
- Advising the commission/committee on directions and priorities of the City Council.
- Informing the commission/committee of events, activities, policies, programs, etc. occurring within the scope of the commission/committee's function.

- Ensuring the City Clerk is informed of all vacancies, expired terms, changes in offices, or any other changes to the commission/committee.
- Providing information to the appropriate appointed official including reports, actions, and recommendations of the committee/commission and notifying them of noncompliance by the commission/committee or chair with City policies.
- Ensuring that agenda items approved by the commission/committee are brought forth in a timely manner taking into consideration staff capacity, City Council priorities, the commission/committee work plan, and other practical matters such as the expense to conduct research or prepare studies, provided appropriate public notification, and otherwise properly prepare the item for commission/committee consideration.
- Take action minutes; upon agreement of the commission, this task may be performed by one of the members (staff is still responsible for the accuracy and formatting of the minutes)
- Maintain a minute book with signed minutes

Recommendations, requests and reports

As needed, near the beginning of City Council meetings, there will be an item called "Commission/Committee Reports." At this time, commissions/committees may present recommendations or status reports and may request direction and support from the City Council. Such requests shall be communicated to the staff liaison in advance, including any written materials, so that they may be listed on the agenda and distributed with the agenda packet. The materials being provided to the City Council must be approved by a majority of the commission/committee at a commission/committee meeting before submittal to the City Council. The City Council will receive such reports and recommendations and, after suitable study and discussion, respond or give direction.

City Council referrals

The City Clerk shall transmit to the designated staff liaison all referrals and requests from the City Council for advice and recommendations. The commissions/committees shall expeditiously consider and act on all referrals and requests made by the City Council and shall submit reports and recommendations to the City Council on these assignments.

Public appearance of commission/committee members

When a commission/committee member appears in a non-official, non-representative capacity before the public, for example, at a City Council meeting, the member shall indicate that he or she is speaking only as an individual. This also applies when interacting with the media and on social media. If the commission/committee member appears as the representative of an applicant or a member of the public, the Political Reform Act may govern this appearance. In addition, in certain circumstances, due process considerations might apply to make a commission/committee member's appearance inappropriate. Conversely, when a member who is present at a City Council meeting is asked to address the City Council on a matter, the member should represent the viewpoint of the particular commission/committee as a whole (not a personal opinion).

Disbanding of advisory body

Upon recommendation by the Chair or appropriate staff, any standing or special advisory body, established by the City Council and whose members were appointed by the City Council, may be declared disbanded due to lack of business, by majority vote of the City Council.

1. *Agendas/notices/minutes*

3. *Lack of a quorum*
- When a lack of a quorum exists at the start time of a meeting, those present will wait 15 minutes for additional members to arrive. If after 15 minutes a quorum is still not present, the meeting will be adjourned by the staff liaison due to lack of a quorum. Once the meeting is adjourned it cannot be reconvened.

While technology allows commission/committee members to participate in meetings from a location other than the meeting location (referred to as “off-premises”), off-premises participation is discouraged given the logistics required to ensure compliance with the Brown Act and experience with technological failures disrupting the meeting. Copies of this Code are filed with the City Clerk. Pursuant to the adopted Conflict of Interest Code, members serving on the Planning Commission are required to file a Statement of Economic Interest with the City Clerk to disclose personal interest in investments, real property and income. This is done within 30 days of appointment and annually thereafter. A statement is also required within 30 days after leaving office.
