Date: 1/11/2016
Time: 6:30 p.m.
Menlo Park Library
800 Alma St., Menlo Park, CA 94025

A. Call to Order

Chair Cebrian called the meeting to order at 6:45 p.m.

B. Roll Call

Present: Bramlett, Cebrian, Leep, Lemons
Staff: Nick Szegda, Librarian III

C. Public Comment

There was no Public comment

D. Regular Business

D1. Identify topic list for Library focus group discussions

Commissioner Bramlett shared a draft of the subcommittee planning document entitled "Focus Groups to Determine Library Needs in Belle Haven" which details the Commission's work to date in soliciting library user feedback and community member feedback through an online survey, the changing demographics in the Belle Haven neighborhood, and possible focus group participants and focus group questions. Staff member Szegda talked about the upcoming strategic planning effort being led by Sweeney and Associates. Commissioner Cebrian expressed a desire not to duplicate effort.

ACTION: Motion and second (Leep/Lemons) to pass along subcommittee report to Sweeney and Associates and to write an introductory letter letting them know of the Commission's availability to assist with the strategic planning process. Motion passed 4-0.

D2. Discuss Commission Chair succession

Staff member Szegda informed the Commission that Commissioner Nelson has resigned from the Commission. Chair Cebrian and staff member Szegda discussed previous chair successions and previous chair length of service.

ACTION: Motion and second (Leep/Cebrian) to elect Vice Chair Bramlett Chair of the Commission, and to appoint Commissioner Lemons Vice Chair, passed 4-0. Motion and Second (Lemons/Bramlett) to appoint Commissioner Leep as Commission liaison to the Friends of the Library, replacing Nelson, passed 4-0.

- D3. Accept the Library Commission meeting minutes for October 12, 2015

ACTION: Motion and second (Cebrian/Leep) to approve the meeting minutes of October 12, 2015 as amended, passed 4-0.

E. Informational Items

- E1. Commissioner reports

Commissioner Cebrian reported that the Menlo Park City School District will be holding an English Learner Night at the library on the 24th of February. This invitation only event will introduce English learner students and their families to the library and to library services. Commissioner Bramlett shared her correspondence with the Connect Menlo planning group. Commissioner Bramlett reported back about her attendance at a “meet the Principal” night at the Belle Haven School. Commissioner Lemons would like to explore language learning meet-ups that make use of the Library’s Mango language learning software.

- E2. Staff reports

Nick Szegda reported about the availability of the Beeline Reader – an app that assists those with reading difficulties by changing the color of the text to highlight line changes.

F. Adjournment

Chair Bramlett adjourned the meeting at 7:53 p.m.

MEMORANDUM

Date: 2/26/2016
To: Commission Members
From: Alex D. McIntyre, City Manager
Re: City Council Work Plan Transmittal and Capital Improvement Program (CIP) process update

The City Council adopts its work plan at the beginning of the year. The work plan is the guiding document for the initiatives and projects staff will be working on throughout the next 12-18 months. Some of these items are typically not funded until the adoption of the budget later in June. At the Jan. 29, 2016, City Council special meeting, the City Council was provided with an update on the work plan items for 2015. Many of the items on the work plan and many of the currently funded CIP projects for 2015 are ongoing. The ongoing work plan items combined with CIP projects that are currently funded were combined for a draft work plan for Council to review for 2016.

The list was grouped into themes and priority levels to help categorize the items. The themes are as follows in no specific order:

- Improving Menlo Park's multimodal transportation system to more efficiently move people and goods through Menlo Park
- Responding to the development needs of private residential and commercial property owners
- Realizing Menlo Park's vision of environmental leadership and sustainability
- Maintaining and enhancing Menlo Park's municipal infrastructure and facilities
- Attracting thoughtful and innovative private investment to Menlo Park
- Furthering efficiency in city service delivery models
- Providing high-quality resident enrichment, recreation, discovery and public safety services

The City Council approved the work plan for 2016, which includes approximately 70 items, some of which include multiple components. The work plan is included as Attachment A.

In previous years, as a part of the annual budget development process, the City updated its Five-Year Capital Improvement Plan (CIP), even though only the first year of CIP is funded by Council. The CIP typically represents recommendations for short- and long-range public investment in infrastructure development, maintenance, improvement and acquisition. The CIP provides a link between the City's Infrastructure Master Plan, various master planning documents, and various budgets and funding sources, and provides a means for planning, scheduling, funding and implementing capital and comprehensive planning projects over the next five years. Typically, a capital project is defined as a project costing more than \$25,000.

Since, the Council has already approved the work plan and prioritized the initiatives

and projects for the year and due to the current number and complexity of projects, there isn't the intent to add additional items to the CIP. The focus for the year is to work toward completion of the work plan items approved by Council including the CIP projects. It is important to note that some of the items in the work plan are not currently funded and they will be proposed as part of the upcoming budget for fiscal year 16-17. There may be a few CIP items added for FY16-17, but they will mainly be based on legal requirements. Other items that were previously listed in the CIP for FY16-17 and not included in the Council work plan will be shifted to the next fiscal year.

Staff capacity has continued to be a limiting factor to the Council work plan and CIP implementation. The staffing for work plan and CIP projects comes from a variety of areas and continued vacancies have impacted available resources. This has affected the work plan and CIP schedules for many of the City's projects. We are in the process of filling these positions and finding the right talent to execute the work plan. It should be noted that these positions function as high-level project managers who work with contract engineering firms for design and construction of projects.

The CIP process should be a continuous discussion. It is important for the commissions to continually think about projects throughout the year and to discuss the merits of those projects including how they fit into the overall master plans within the City. The Council will be provided regular updates on the work plan items throughout the year. These updates can service as an opportunity and check in for the commissions to discuss any future projects that might be important to the City in the context of master plans and issues that arise.

Thank you, as always, for your valuable support of the Council's efforts to meet their goals of responsible fiscal management of the City's resources and infrastructure.
