The proposed revision includes the addition of a rooftop deck restroom and elevator vestibule for the office building. In addition, four previously proposed street trees along El Camino Real (which have not been planted) would be removed from the landscape plan, due to a water line conflict, and would be replaced with four potted trees along the site frontage. The applicant is also proposing median landscaping improvements along El Camino Real, between Glenwood Avenue and Encinal Avenue, in consultation with the City. ([Staff Report #21-005-PC](#))
