A. PUBLIC COMMENTS

Under "Public Comments," the public may address the Commission on a consent calendar item or any subject not listed on the agenda within the jurisdiction of the Commission. When you do so, please state your name and city or political jurisdiction in which you live for the record. The Commission cannot respond to non-agendized items other than to receive testimony and/or provide general information.

B. CONSENT

Items on the consent calendar are considered routine in nature, require no further discussion by the Planning Commission, and may be acted on in one motion unless a member of the Planning Commission or staff requests a separate discussion on an item.

1. [Approval of minutes from the October 6, 2008, Planning Commission meeting.](#)

C. PUBLIC HEARING

1. [Use Permit and Variance/James M. Sagorac Jr./1260 Mills Street](#): Request for a use permit to demolish a single-story, single-family residence and construct two two-story, single-family residences and associated site improvements on a substandard lot with regard to lot width in the R-3 (Apartment) zoning district. Request for variances to allow covered and uncovered parking to encroach up to five feet into the right side yard setback where ten feet is required, and to reduce the minimum distance between the proposed buildings on the subject parcel and the existing buildings on the adjacent right side property from 20 feet to 13 feet. ***Continued from the meeting of October 20, 2008.***

D. STUDY ITEMS

1. [Use Permit, Architectural Control, and Tentative Subdivision Map/Joe Colonna for 1706 ECR LLC/1706 El Camino Real](#): Request for a use permit, architectural control, and tentative subdivision map to demolish an existing one-story 6,875-square-foot commercial building and construct a new two-story 10,236-square-foot office building for medical/dental use and related site improvements in the C-4 (General

Commercial applicable to El Camino Real) zoning district. The application includes a request for a tentative map to subdivide one parcel into six commercial condominium airspaces.

2. **Zoning Ordinance Amendment /City of Menlo Park:** Consideration of a Zoning Ordinance Amendment to clarify the definition of Gross Floor Area to more specifically identify features of a building that are either included or excluded from the calculation. Gross floor area is used in calculating the floor area ratio (FAR) and parking requirements for developments in all zoning districts except for single-family and R-2 (Low Density Apartment) zoning districts. Floor area ratio equals the gross floor area of a building divided by the lot area and effectively regulates the size of a building. In addition, gross floor area is used in determining the applicability of requirements for below market rate (BMR) housing and the preparation of traffic studies. The clarifications to the definition will focus on new buildings and attempt to minimize impacts to existing buildings. The Zoning Ordinance Amendment will be exempt from the California Environmental Quality Act (CEQA) in that the changes are intended to have no potential to impact the environment.
