B. PUBLIC COMMENTS

Under “Public Comments,” the public may address the Commission on any subject not listed on the agenda within the jurisdiction of the Commission. When you do so, please state your name and city or political jurisdiction in which you live for the record. The Commission cannot respond to non-agendized items other than to receive testimony and/or provide general information.

C. CONSENT

Items on the consent calendar are considered routine in nature, require no further discussion by the Planning Commission, and may be acted on in one motion unless a member of the Planning Commission or staff requests a separate discussion on an item.

1. [Approval of minutes from the August 6, 2012 Planning Commission meeting](#)
2. [Architectural Control/Kama and Michael Best/192 Stone Pine Lane](#): Request for approval for architectural control for exterior modifications of the front facade on an existing residence in the R-3 (Apartment) zoning district.
3. [Architectural Control/Cynthia Lee Schreuder/1340 Trinity Drive](#): Request for Architectural Control to modify the rear portion of the existing single-family townhouse by adding approximately 55 square feet over an existing deck located on the first floor in the R-E-S(X) (Single Family Estate Suburban, Conditional Development) zoning district.

D. PUBLIC HEARING

1. [Use Permit/Reynaldo Quintana/1040 Wallea Drive](#): Request for a Use Permit for the modification of the first floor, and the construction of a new second story to an existing single-story, nonconforming single-family residence on a substandard lot with regard to lot width in the R-1-S (Single Family Suburban) zoning district. The proposed work would exceed 50 percent of the existing floor area, and is considered equivalent to a new structure. The project would also exceed 50 percent of the existing replacement value in a 12-month period and requires approval of a use permit by the Planning Commission. As part of the proposed development, one heritage magnolia tree (18-inch diameter) in poor condition in the front of the property would be removed. An initial version of the proposal was reviewed by the Planning Commission at the meeting of July 23, 2012, and was continued with direction for redesign. The proposal has since been revised, with changes to elements such as the architectural style, massing and roof pitch, front entry, windows, garage type and landscaping.
2. [Use Permit/Young and Borlik Architects/742 Live Oak Avenue](#): Request for a use permit to construct two single-family dwelling units and associated site improvements, on a lot that is substandard with regard to lot width, located in the R-3 (Apartment) zoning district. As part of this proposal, two heritage size trees (a 30-inch diameter oak located in the back-right corner of the property, and a 25-inch diameter cherry along the left-side property line) in poor condition are proposed to be removed. The proposal is a revision of an earlier application for a use permit and variance, which was reviewed and denied by the Planning Commission on June 25, 2012. The revised proposal does not require approval of a variance.
3. [Use Permit Revision/Courtney Lai for Sprint/3645 Haven Avenue](#): Request for a modification to an existing wireless telecommunications facility located on an existing monopole in the M-2 (General Industrial) zoning district. Two existing panel antennas, located on the monopole would be replaced with new equivalent antennas and four remote radio units (RRUs) would be added to the monopole, two per each sector. The three existing equipment cabinets, located on the ground, would be removed and replaced with two new cabinets.
