Request for a Conditional Development Permit (CDP) amendment for a project at an existing multi-building apartment complex located in the R-3-X (Residential Apartment, Conditional Development) zoning district. The project would include the demolition of the existing recreation building, the construction of a new recreation building and a new leasing office and associated parking area, façade improvements to all of the existing apartment buildings, and landscaping modifications. The proposed modifications would result in an increase in the maximum building coverage of up to 40 percent at the subject site, which would exceed the current maximum of 30 percent, set by the existing CDP. The proposed amendment to the existing CDP (which covers multiple sites in the vicinity) would apply only to the subject site,

and would not alter the development standards for any of the other properties within the CDP. As part of the proposal, 62 heritage size trees throughout the approximately 15.6-acre site are proposed for removal.

E. REGULAR BUSINESS

- E1 Architectural Control/Rita Parasnis/727 El Camino Real:** Request for Planning Commission review of compliance with conditions of approval regarding the proposed material for a portion of the front façade and the general signage location and size, related to an approved architectural control request to remodel and construct additions to an existing hotel in the SP-ECR/D (El Camino Real/Downtown Specific Plan) zoning district. The overall project was reviewed and approved at the Planning Commission meeting of September 23, 2013.
- E2 El Camino Real/Downtown Specific Plan/Initial Review:** Initial evaluation of the El Camino Real/Downtown Specific Plan, which was approved in 2012. As specified by Chapter G ("Implementation"), the Planning Commission and City Council will conduct an initial review of the Plan one year after adoption, with ongoing review at two-year intervals thereafter. This review is intended to ensure that the Plan is functioning as intended, as well as to consider the policy-related implications of various Plan aspects. Depending on the results of the initial review, potential modifications may be formally presented for Planning Commission recommendation and City Council action at subsequent meetings. Any such modifications may require additional review under the California Environmental Quality Act (CEQA).
