Dear Ms. Khan,

Safeway Store #1709, located at 325 Sharon Drive; Menlo Park CA 94025, is currently licensed by The California Alcoholic Beverage Control with a type 20 off sale. This license allows for the sale of Beer and Wine products for off the site consumption. Safeway Inc plans to upgrade to a type 21 off sale, which allows Beer, Wine, and Spirits products to be sold for off the site consumption. Safeway Inc. is changing its services to meet the needs of our customers. Since the full-service liquor store in the shopping center closed, the customer must drive to another location to purchase spirits. This adds to vehicle usage and the inability to complete a one-stop shopping experience for the community. Feel free to reach out to me if there are any questions or concerns.

Sincerely,

Christina Meza

Thank you,
