

Naxos Music Library

Streaming music on iOS, Android, & Web

Menlo Park Library subscribes to 3 of Naxos' streaming music platforms.

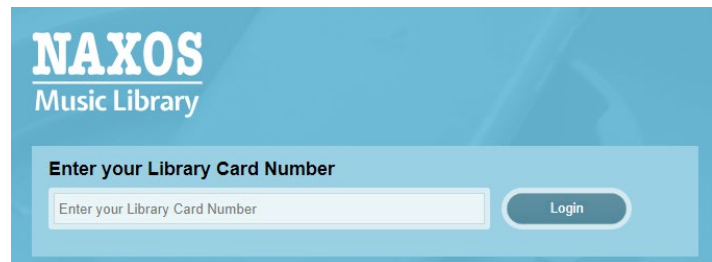

Naxos Music Library Classical – menlopark.naxosmusiclibrary.com

Naxos Music Library Jazz – menlopark.naxosmusiclibrary.com/jazz

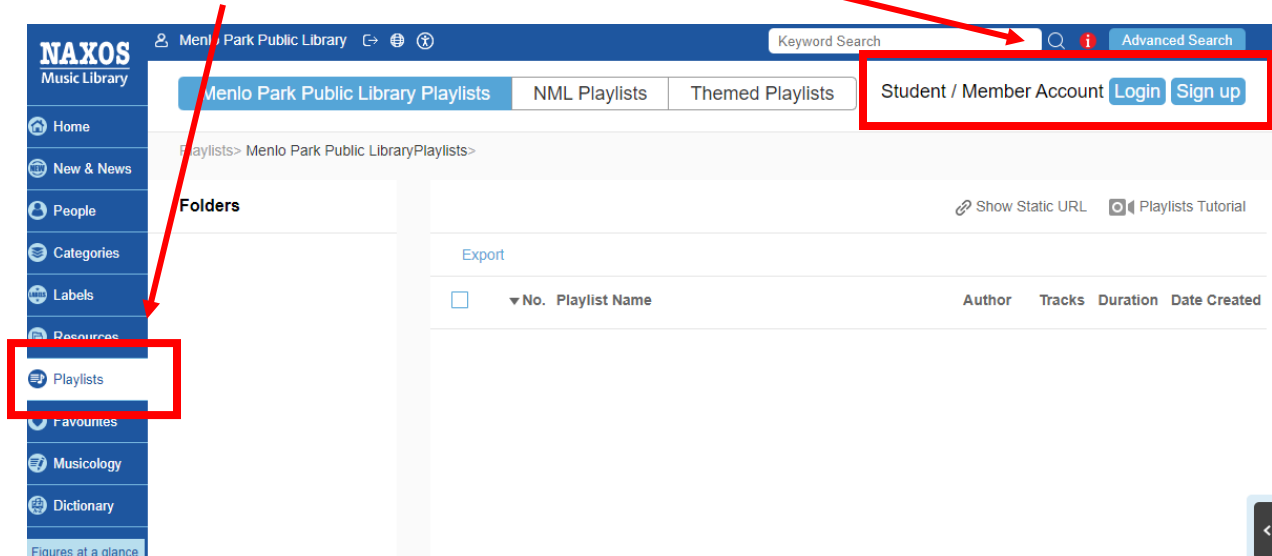

Naxos Music Library World – menlopark.naxosmusiclibrary.com/world

Create an Account

Visit your desired Naxos platform using the address above and login with your Menlo Park library card.

Click on the Playlists tab on the left, then use the Sign Up button on the top right.

You will need to create an account for each Naxos platform, but you can use the same login information for each.

Listen on Web

You can stream music on the web without creating a Naxos account.

Click on an album to see information about it, including the track listing.

Listen to the entire album immediately by clicking the play button on the right.

Listen on Devices

Download one or all of the Naxos apps from the App Store or Google Play

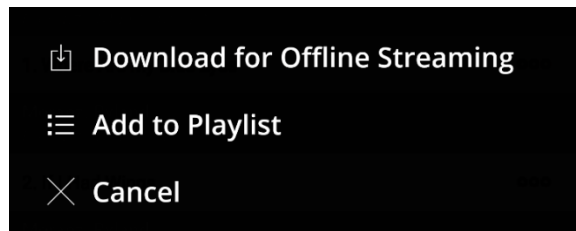

Login to the app using the email and password you setup on the corresponding Naxos website (see above).

Tap on an album to view the track listing and album information.

Tap on any track to start listening.

Download the album for offline listening, or add it to a personal playlist, by tapping the three dots at the top right

Do the same for individual songs by tapping the three dots beside the song title.

The track currently playing is highlighted. It also appears along the bottom of the screen. This bar stays in place as you browse Naxos, so you can jump back to the album page anytime.
