Notes about our data: Menlo Park PD transitioned from UCR to NIBRS in February 2022. Numbers for "Group A Offenses" reflect what was reported to the FBI for the month. Arrest totals do not reflect individuals booked/cited for CVC 12500. Totals for CVC 12500 are counted within citation totals only. Total citations include the total of CVC 12500 cites plus all other issued citations. Total fire arms recovered reflects all firearms recovered legally, found, placed in safekeeping, surrendered, etc. All data is subject to change. **Data for January 2022 is extrapolated to provide a complete set of data for comparison. Values in January 2022 are not actual - they represent the average monthly total for each crime based on the other 11 months of 2022.**
