Reduce Waste

The average home uses and stores more than 60 hazardous products! Cleaners, pesticides and herbicides contain toxic materials that are not healthy for people, animals, and the environment. Cats, dogs and other animals can be harmed from exposure to chemicals and fertilizers on lawns and in landscaping. Rainfall and the watering of lawns wash these toxins into the storm drains that empty straight into creeks, the bay and ocean without any type of treatment. This runoff harms aquatic wildlife and toxins work their way up the food chain to humans.

Switch to non-toxic products because they are better for you, your family, pets and the environment. Find more information on non-toxic gardening, pest management, and household cleaning at www.flowstobay.org. If you have any hazardous waste to dispose of, please see page 9.

Easy tips to reduce waste:

- Purchase items in bulk to reduce packaging.
- Purchase items that are produced and grown close to home.
- Rent or borrow items instead of buying new ones.
- Use reusable items such as shopping bags, water bottles, travel mugs, foodware (plates, cups, and utensils), cloth napkins, pens, pencils, razors and rechargeable batteries.
- Visit www.stopjunkmail.org to learn how to reduce unwanted mail.
- Pack waste free lunches for school and work.
- Reuse one-sided paper for printing or creating note pads.
- Repair items such as clothes, shoes, electronics, and furniture. Do it yourself or use local seamstresses, shoe cobblers, repair shops and furniture restoration shops.

Sustainability Academy Composting Offerings

Backyard Composting Workshops

These two-hour workshops are offered throughout the year. Learn how easy and fun it is to recycle your fruit and vegetable scraps, leaves, and plant cuttings into compost! Compost provides valuable nutrients for your garden soil, helps retain moisture which saves water, suppresses weeds, prevents soil erosion, and loosens clay and compacted soils for better drainage and water retention. It is rewarding to know you are turning what some consider waste into a nutrient rich organic material for your garden!

Master Compost and Solid Waste Course

This is an eight-week intensive course that is held once per year. Learn in-depth knowledge of backyard and vermicomposting, an understanding of soil biodiversity and all the benefits of adding compost to your soil, and an overview of waste reduction practices. The course is instructed in a hands-on style that teaches participants concrete skills, as well as the theory behind those skills. The Sustainability Academy is designed to educate San Mateo County community members about resource conservation and to empower them to promote resource conservation in their communities.

Call us at 888-442-2666 to learn about the next workshop or course coming up!

See pages 3-7 for reuse information.

See pages 8-12 for recycling information.

Other Reusable Items

Bicycles

The following locations fix up old bicycles for resale or donation:

Cardinal Bicycle Shop

1955 El Camino Real, Palo Alto
650-328-8900
www.cardinalbikes.com

Silicon Valley Bicycle Exchange

2566 Leghorn Street, Mountain View
408-255-3767
bikex.org

Woodside Bike Shop

1523 Woodside Road, Redwood City
650-299-1071
www.woodsidebikeshop.com

See pages 3-6 for more locations that accept working bicycles only.

Cell Phones

Cell phone retailers are required by law to take back phones for reuse or recycling.

Eye Glasses

Local Lions Clubs sponsor an eyeglass reuse collection program. Many optometry stores contain collection boxes for the eyeglasses.
www.lionsclubs.org

Food

Call Primrose

139 Primrose Road, Burlingame
650-342-2255
www.callprimrose.org
Accepts nonperishable and produce.

Pacifica Resource Center

1809 Palmetto Avenue, Pacifica
650-738-7470
pacresourcecenter.org
Accepts nonperishable, eggs, produce and frozen.

Second Harvest Food Bank

1051 Bing Street, San Carlos
650-610-0800
www.shfb.org
Accepts nonperishable and produce.

Village Harvest

San Jose
888-378-4841
www.villageharvest.org
If you have a large amount of fruit or are physically unable to harvest it because of age or disability, they organize teams of volunteers to harvest and share with community organizations.

See pages 3-6 for more locations that accept food.

Medical Supplies

The following locations take walkers, crutches, canes, wheel chairs, electric scooters and power wheelchairs in working condition:

Center for the Independence of the Disabled

2001 Winward Way, Suite 103
San Mateo
650-645-1780
www.cidсанmateo.org

The Salvation Army

South San Francisco and San Bruno locations.
800-728-7825
satruck.com

Savers

875 Main Street, Redwood City
650-364-5545
www.savers.com

Vida-USA

1519 Hollis Street, Emeryville
510-655-8432
www.vidausa.org
Also takes beds.

Supplies for Art Projects

The following locations accept arts, crafts and unusual items for school projects. Call before donating.

RAFT

1160 Kern Avenue, Sunnyvale
408-451-1420
www.raftbayarea.org

415-647-1746
www.scrap-sf.org

Nursery Pots

The following is a partial listing of nurseries that take back rigid black plastic pots and reuse them or return them to growers for reuse. Please call your local nursery if it does not appear on this list.

Please call the nursery prior to dropping off used pots.

Bongard's Treescape Nursery

12460 San Mateo Road (HWY 92), Half Moon Bay
650-726-4568
All sizes

Golden Nursery

1122 2nd Avenue, San Mateo
650-348-5525
Accepts all containers from Golden Nursery.

Half Moon Bay Nursery

11691 San Mateo Road (HWY 92) Half Moon Bay
650-726-5392
1 gallon and above

M&M Nursery

332 Woodside Road, Redwood City
650-366-4429
1 to 15 gallons

Wegman's Nursery

492 Woodside Road, Redwood City
650-368-5908
1 gallon and larger; black only; call first

Yerba Buena Nursery

12511 San Mateo Road (HWY 92) Half Moon Bay
650-851-1668
1 gallon; black only

Packaging (Peanuts and Bubble Wrap)

Ask your local packaging or shipping store if they will accept various packaging materials for reuse.

Pack and Mail Express

1017 El Camino Real (located in Sequoia Station) Redwood City
650-365-2892
Call before dropping off materials.

Strawflower Electronics

160 San Mateo Road (HWY 92), Suite E, Half Moon Bay
650-726-8181
www.strawflowerelectronics.com

The UPS Store

Various locations. Peanuts only.
800-742-5877
www.ups.com

Remodeling Your Property

Donate building materials to salvage yards for reuse.

Habitat for Humanity

Recycling helps to reduce global warming

Manufacturing goods from recycled materials typically requires less energy and water than producing goods from virgin materials. When energy demands are decreased, fewer fossil fuels are burned, and less carbon dioxide is emitted into the atmosphere.

— U.S. Environmental Protection Agency - Climate Change and Waste

Household Hazardous Waste

Serves Broadmoor, Colma and Daly City

South San Francisco Scavenger Company, Inc.

500 East Jamie Court, South San Francisco
650-589-4020
www.ssfscavenger.com

Serves Brisbane, Millbrae and South San Francisco

Close the Loop and Buy Recycled Products

Recycling cans, bottles, paper and other materials is the first step in the recycling process. Take the next step by shopping for products made from recycled materials. When you buy recycled products, you close the loop by incentivising manufacturers to use recycled materials to create their goods. Something isn't recycled unless you buy the end product.

Buying products made from recycled materials is a simple way to help the environment and ensure the long-term success of curbside recycling programs.

There are a variety of products made from recyclables, such as many types of paper, cereal and tissue boxes, toilet paper, plastic lumber and much more. One ton or 40 cases of recycled paper saves: 17 trees, 7000 gallons of water and 4100 kwh of energy, enough to power the average home for 6 months, 60 pounds of air pollution and 2.5 cubic yards of landfill space.

When shopping, look for products containing the highest percentage of post-consumer recycled material you can find. Post-consumer recycled products are made from the materials you set out at the curbside.

Look for the recycling symbol and a statement that the product is made from post-consumer recycled material:

If post-consumer recycled content products are not available at the stores where you shop, ask the store manager to begin stocking these products. Shopping online for items with recycled content is another option. Write to manufacturers and ask that they begin producing products with recycled content. Encourage others in your neighborhood, office and community to buy recycled products.
