Summary

The Menlo Park City Council approved a rate assistance pilot program to assist those suffering financial hardship. The program runs from July 1, 2023 to June 30, 2024. Qualified households may receive a monthly 20 percent discount on solid waste service from Recology and a fixed amount equivalent to a 50 percent discount of the 5/8-inch water meter service charge from Menlo Park Municipal Water (MPMW). The discount would be retroactive for enrolled participants and it may appear as a credit or adjustment on the bill statement.

The City of Menlo Park together with Recology and MPMW have partnered with Central Coast Energy Services to provide reduced rate programs for eligible households within the incorporated boundaries of the City of Menlo Park.

Please contact Central Coast Energy Services at 1-888-728-3637 for any questions or assistance on enrollment.
