STAFF REPORT

City Council

Meeting Date:

12/15/2020

Staff Report Number:

20-254-CC

Consent Calendar:

Transmittal of the annual report on the status of the transportation impact, storm drainage, recreation in-lieu, below market rate housing in-lieu, and construction impact fees collected as of June 30, 2020

Recommendation

Staff recommends the City Council review the annual report on the status of the transportation impact, storm drainage, recreation in-lieu, below market rate housing and construction impact fees. Staff also recommends that City Council adopt the following:

1. Transportation impact fees, storm drainage fees, recreation in lieu fees, below market rate housing in-lieu, and construction impact fees are collected to mitigate direct and indirect impacts from development.
2. These fees are expended in a timely manner to fund continued improvements to public facilities related to the increased demand on the facilities resulting from development.
3. There is a reasonable relationship between these impact fees and their purpose.
4. These impact fees continue to be required to fund applicable improvements, and as such, these fees will continue to be collected and deposited into the appropriate funds for utilization solely for their intended purpose.

Policy Issues

This report does not represent any change to existing City policy and affirms the City's intention to continue to charge these impact fees to fund projects and programs that mitigate the direct and indirect impact of development in the City of Menlo Park.

Background

Cities and counties often charge fees on new development to fund public improvements to mitigate the impact of development activity. These fees are commonly known as development impact fees. In 1989, the state Legislature passed Assembly Bill 1600 (AB1600), which added Sections 66000 et seq. to the California Government Code, commonly known as the Mitigation Fee Act.

As required by law, these fees are segregated from the General Fund and accounted for in special revenue funds. Government Code Section 66001 requires that the City make available to the public information regarding development impact fees for each fund within 180 days after the end of each fiscal year:

- A brief description of the fee and the fund into which the fee was deposited
- The amount of the fee
- The associated fund's beginning and ending balances for the fiscal year
- The total amount of fees collected and interest earned

- Identification of each public improvement on which impact fees were expended and the amount of expenditure on each improvement, including the total percentage of the cost of the public improvement that was funded with impact fees;
- Identification of the approximate date by which construction of a public improvement will commence if the local agency determined that sufficient funds have been collected to complete financing on an incomplete public improvement and the public improvement remains incomplete
- A description of each interfund transfer or loan made from an account or fund
- Further, Government Code Section 66000 et. seq. also requires that findings describing the continuing need for impact fees be made every five years specifying the intended use of any unexpended impact fees, regardless of whether the fees are committed or uncommitted. Failure to make such findings subjects the City to going through a refunding procedure. This report meets the requirements to comply with the Mitigation Fee Act.

Analysis

Transportation impact fees

Due to growth and development in San Mateo County and the City of Menlo Park, increased pressure has been put on the transportation system. The transportation impact fee methodology was put in place effective December 6, 2009, with the addition of Section 13.26 to the municipal code, which created a more systematic way for applying the fees. In 2019, the City prepared an updated transportation impact fee study which updated the fees by land use, eligible projects for expenditures and the ordinance. In addition, the 2019 update set the fees for child care facilities and secondary dwelling units to \$0. The current fees became effective in February 2020, and are listed below:

Transportation impact fee		
Land UUse	Unit	2020 fee amount*
Office	Sq.Ft.	\$ 18.55
Research and development	Sq.Ft.	7.91
Manufacturing	Sq.Ft.	10.81
Warehousing	Sq.Ft.	3.07
Restaurant	Sq.Ft.	10.81
Retail	Sq.Ft.	10.81
Single-family	Units	15,973.62
Multifamily	Units	5,383.85
Hotel	Per room	9,680.98
Medical office	Sq.Ft.	55.83
Child care	Sq.Ft.	0
Secondary dwelling unit	Units	0
* As of June 2020, ENR Construction Cost Index % change for San Francisco = 5.4		
If land use is not one of the above, use this formula: \$16,134.97 * Total PM Peak hour trips		

For fiscal year 2019-20, the City received total revenue of \$452,254 primarily from transportation impact fees and interest income. For the same period, the City expended a total of \$588,734 on projects eligible for funding under this revenue source. Accordingly, net revenue for the year totaled (\$136,480) and the ending balance as of June 30, 2020, is \$7,202,952. Of this amount, all funds are available for use to meet current or planned projects eligible for this funding source. In the next five fiscal years, it is planned that the City will require \$21,474,285 from transportation impact fees to finance needed infrastructure projects. In addition, the City Council adopted the transportation master plan November 17, and staff anticipates new projects will be added to the future five-year capital improvement program as part of the fiscal year 2021-2022 budget cycle to align with the adopted Plan. As such, there exists a continued need for this fee. Detail of current year and historical financials as well as current year project expenditures are available in Attachment A.

Storm drainage fees

The storm drainage fee, which commenced before 1989, is levied to mitigate City storm drainage impacts either directly or indirectly resulting from development projects. Storm drainage connection fees are charged for property development as shown in the City's 2019 master fee schedule:

- Single-family – per lot \$450.00
- Multifamily – per unit \$150.00
- Industrial and commercial – per square foot of impervious area \$ 0.24

For fiscal year 2019-20, the City received total revenue of \$10,356, primarily from storm drainage fees and interest income. For the same period, the City expended \$24,978 on projects eligible for funding under this revenue source. Accordingly, net revenue for the year for the year totaled (\$14,622) and the ending balance as of June 30, 2020, is \$160,066. Of this amount, all funds are available for use to meet current or planned

projects eligible for this funding source. The City plans to use the remaining funds to support a green stormwater infrastructure project at the corner of Pope and Elm Streets in conjunction with pathway improvements in Willow Oaks Park. At this time, there still exists a continued need for this fee. Detail of current year and historical financials as well as current year project expenditures are available in Attachment B.

Recreation in-lieu fees

The recreation in-lieu fee, which commenced before 1989, is collected from developers to improve and expand recreation facilities in-lieu of providing new on-site facilities. The fee is charged on new residential development as shown in the City's 2019 Master Fee Schedule:

- Single-family (RE and R-1): 0.013 (Multiplied by number of units and by market value of acreage to be subdivided)
- Multifamily development (R-2, R-3, RLU and PD): 0.008 (Multiplied by number of units and by market value of acreage to be subdivided)

For fiscal year 2019-20, the City received total revenue of \$411,006, primarily from recreation in-lieu fees and interest income. For the same period, the City expended a total of \$1,000,428 on projects eligible for funding under this revenue source. Accordingly, net revenue for the year for the year totaled (\$589,422) and the ending balance as of June 30, 2020, is \$2,964,040. Of this amount, all funds are available for use to meet current or planned projects eligible for this funding source. In the next five fiscal years, it is planned that the City will require \$9,580,829 from recreation in-lieu fees to finance needed infrastructure projects. As such, there exists a continued need for this fee. Detail of current year and historical financials as well as current year project expenditures are available in Attachment C.

Below market rate housing in-lieu fee

The below market rate (BMR) Housing program was established in 1987 to increase the housing supply for people who live and/or work in Menlo Park and have very low, low, or moderate incomes as defined by income limits set by the California Department of Housing and Community Development for San Mateo County. The primary objective of the fee is to create actual housing units rather than generate a capital fund. However residential developers are permitted to pay an in-lieu fee if a project does not provide the following:

- All owner-occupied residential developments of five or more units are required to provide a BMR unit.
- Residential developments of 10 to 19 units are required to provide 10 percent of the housing at below market rates.
- Development projects of 20 units or more are required to provide 15 percent of the housing at below market rates.

For new commercial developments equal to or greater than 10,000 square feet that generate employment opportunities, the in-lieu fee is established as follows:

- Group A: \$18.69 per square foot of net new gross floor area for most commercial uses
- Group B: \$10.14 per square foot of net new gross floor area for defined uses that generate fewer employees

For fiscal year 2019-20, the City received total revenue of \$6,083,590, primarily from below market rate housing in-lieu fees and interest income. For the same period, the City expended a total of \$515,156 on projects eligible for funding under this revenue source. Accordingly, net revenue for the year totaled \$5,568,434 and the ending balance as of June 30, 2020, is \$30,794,202. Of this amount, \$21,741,833 is available for use to meet current or planned projects eligible for this funding source. The remaining fund

balance reflects assets held as notes receivable (BMR loan programs) and real estate held for resale. A staff report was provided to City Council (staff report 17-138-CC) on one funding opportunity, \$6,700,000, for 1317-1385 Willow Road. A second staff report was provided to City Council (staff report 19-234-CC) on another funding opportunity, \$635,502 for 1105 and 1141 Willow Road. In addition, November 18, 2020 staff released a new NOFA for the allocation of BMR funds, in the amount of \$10,000,000, to leverage additional development of affordable housing within the plan area. It is estimated at this time that the abovementioned activities will utilize the majority of available fund balance and additional projects will be identified in coming years. As such, there exists a continued need for this fee. Detail of current year and historical financials as well as current year project expenditures are available in Attachment D.

Construction impact fees

The construction impact fee that took effect in November 2005 was adopted to recover the cost of repairing damage to streets caused by construction-related vehicle traffic. On August 5, 2008, City Council adopted a resolution extending this fee beyond the three-year sunset provision initially established. The fee is charged on the value of the construction project as shown in the 2019 Master Fee Schedule:

- The fee amounts to 0.58 percent of a construction project's value
- Residential alteration and repairs, as well as all projects under \$10,000, are exempt from the fee

For fiscal year 2019-20, the City received total revenue of \$3,046,137, primarily from construction impact fees and interest income. For the same period, the City expended a total of \$1,376,614 on projects eligible for funding under this revenue source. Accordingly, net revenue for the year totaled \$1,669,523 and the ending balance as of June 30, 2020, is \$9,483,695. Of this amount, all funds are available for use to meet current or planned projects eligible for this funding source. In the next five fiscal years, it is planned that the City will require \$13,525,792 from construction impact fees to finance needed infrastructure projects. As such, there exists a continued need for this fee. Detail of current year and historical financials as well as current year project expenditures are available in Attachment E.

Impact on City Resources

There is no impact on City resources resulting from this annual report, and this report meets the compliance requirements of the Mitigation Fee Act. Impact fees collected in 2019-20 represented \$8,822,066.

Environmental Review

This action is not a project within the meaning of the California Environmental Quality Act (CEQA) Guidelines §§ 15378 and 15061(b)(3) as it will not result in any direct or indirect physical change in the environment.

Public Notice

Public notification to comply with the Mitigation Fee Act is achieved by posting the annual report November 30, 2020, 15 days before the meeting at which the City Council is anticipated to make required findings as outlined in the recommendation.

Meeting Date:

12/15/2020

Staff Report Number:

20-267-CC

Consent Calendar:

Adopt Resolution No. 6579 declaring the canvass of votes cast and results of the General Municipal Election held in the City of Menlo Park November 3, 2020

Recommendation

Staff recommends the City Council adopt Resolution No. 6579 declaring the results of the General Municipal Election held November 3, 2020.

Policy Issues

The proposed action conforms to the California Elections Code.

Background

A General Municipal Election was held in the City Tuesday, November 3, 2020. Section 10262 and 10264 of the California Elections Code requires that upon certification of the results of an election by the County Elections Office, the City Council shall meet to declare the results of the election. The City Council is required to adopt a Resolution No. 6579 (Attachment A) and the city clerk is required to enter into the minutes a statement of the results.

On December 3, 2020, San Mateo Chief Elections Officer Mark Church certified the results of the election and the official report is included as Exhibit A to Resolution No. 6579. According to the official report, the names of those elected as City Councilmembers to full four-year terms are:

Jen Wolosin, District 3 – 1,702 votes (58.15 percent)

Ray Mueller, District 5 – 2,800 votes (100 percent)

Public Notice

Public notification was achieved by posting the agenda, with the agenda items being listed, at least 72 hours prior to the meeting.

Environmental Review

This action is not a project within the meaning of the California Environmental Quality Act (CEQA) Guidelines §§ 15378 and 15061(b)(3) as it is a minor change that will not result in any direct or indirect physical change in the environment.

A. Resolution No. 6579

Report prepared by:
Judi A. Herren, City Clerk

RESOLUTION NO. 6579**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MENLO PARK
DECLARING THE RESULTS OF THE GENERAL MUNICIPAL ELECTION HELD IN
THE CITY OF MENLO PARK ON NOVEMBER 3, 2020**

WHEREAS, a General Municipal Election was held and conducted in the City of Menlo Park, County of San Mateo, State of California, on Tuesday the third day of November, 2020, as required by law, for the purpose of electing two members of the City Council for the full term of four (4) years each and;

WHEREAS, notice of said election was duly and regularly given in the time, form and manner as provided by law, voting precincts were properly established, election officers were appointed and in all cases said election was held and conducted and the votes cast were received and canvassed and the returns made and declared in the time, form and manner as required by the provisions for the Elections Code of the State of California for holding of elections in cities; and

WHEREAS, pursuant to Resolution No. 6562, the County of San Mateo Election Department canvassed the returns of said election and has certified the results, which are attached and made a part hereof as "Exhibit A".

NOW, THEREFORE BE IT RESOLVED that the City Council of the City of Menlo Park resolves as follows:

Section 1: That the total number of ballots cast in the vote centers and vote by mail ballots in District 3 was 3,645. That the total number of ballots cast in the vote centers and vote by mail ballots in District 5 was 3,988.

Section 2: Said General Municipal election was held for the purpose of electing two (2) members of the City Council to Districts 3 and 5 for four year terms.

Section 3: The names and results of the persons voted for at said election for members of the City Council are:

DISTRICT	NAME	NUMBER OF VOTES RECEIVED
3	JEN WOLOSIN	1,702
5	RAY MUELLER	2,800

Section 4: The City Council does declare and determine that:

Jen Wolosin was elected as a member of the City Council District 3 for a term expiring upon the election of a successor thereto at the General Municipal election in November 2024.

Ray Mueller was elected as a member of the City Council District 5 for a term expiring upon the election of a successor thereto at the General Municipal election in November 2024.

Section 5: The city clerk shall deliver to each person elected a certification of election signed by her and duly authenticated; she shall also administer to the persons elected the oath of office as prescribed in the State Constitution of the State of California and shall have those persons subscribe thereto and file it in the office of the city clerk. Each person so elected shall be inducted into the office which he or she has been elected.

Section 6: The city clerk shall enter in the records of the City Council a statement of the results of said election, showing (1) the whole number of votes cast in the city; (2) the names of the persons voted upon; (3) the office for which each person was voted for; (4) the number of votes given at each district to each person; and (5) the number of votes given in the city to each person. These results are attached as Exhibit A to the resolution.

Section 7: The city clerk shall certify to the passage of this resolution and enter it into the book of original resolutions.

I, Judi A. Herren, City Clerk of Menlo Park, do hereby certify that the above and foregoing City Council Resolution was duly and regularly passed and adopted at a meeting by said City Council on the fifteenth day of December, 2020, by the following votes:

STAFF REPORT

City Council

Meeting Date: 12/15/2020

Staff Report Number: 20-268-CC

Regular Business: Selection of Mayor and Vice Mayor

Recommendation

Staff recommends the City Council select a Mayor and Vice Mayor for 2020.

Policy Issues

The proposed action conforms to current practice.

Background

The Menlo Park Municipal Code, Section 2.04.120, states that the City Council shall meet in December of each year and choose one of its members as Mayor and one as Vice Mayor.

Staff recommends the following process for the selection of the Mayor and Vice Mayor:

- The current Mayor turns the meeting over to the city clerk
- The city clerk will take nominations from the City Council for Mayor
- Votes for each nominee will be taken until a city councilmember receives a majority vote thereby selecting the new Mayor
- The city clerk will return the meeting to the new Mayor
- The Mayor will take nominations for Vice Mayor
- Votes for each nominee will be taken until a city councilmember receives a majority vote thereby selecting the new Vice Mayor

Environmental Review

This action is not a project within the meaning of the California Environmental Quality Act (CEQA) Guidelines §§ 15378 and 15061(b)(3) as it is a minor change that will not result in any direct or indirect physical change in the environment.

Public Notice

Public notification was achieved by posting the agenda, with the agenda items being listed, at least 72 hours prior to the meeting.

Report prepared by:
Judi A. Herren, City Clerk

STAFF REPORT

City Council

Meeting Date:

12/15/2020

Staff Report Number:

20-271-CC

Regular Business:

Appoint City Council representatives and alternates to various local and regional agencies and as liaisons and members to City Council advisory bodies

Recommendation

Staff recommends that the City Council:

1. Appoint representatives and alternates to various local and regional agencies;
2. Appoint committee members to applicable advisory bodies;
3. Appoint liaisons to applicable advisory bodies;

Policy Issues

The proposed action conforms to the current practice of annually updating the City Council's appointments to various local and regional agencies, boards and City Council-appointed advisory bodies.

Discussion

Each year, after the City Council reorganization, City Council appoints its members to represent the City or liaison for City Council. Attachment A is a full roster of current City Council assignments for 2020. Attachment B includes a brief description of each agency's purpose and respective meeting schedule.

City staff recommends consideration of the following extraordinary changes:

- Appointments to replace vacancies resulting from the City Council reorganization.
- Bay Area Water Supply & Conservation Agency (BAWSCA) – The City's current BAWSCA representative's term expires in June 2021. If the City Council desires to appoint a new individual to a four-year term expiring June 2025, City staff recommends appointing an alternate to ensure a smooth transition in June/July 2021.
- San Mateo County Flood and Sea Level Rise District (FSLR, OneShoreline) – Formed January 1, 2020, FLSR is governed by a seven-member board of directors with two board members serving on the San Mateo County board of supervisors, and five board members serving on city/town councils. City Council may desire to appoint a nonvoting liaison to FSLR.
- Transportation Master Plan Oversight and Outreach Committee (TMPOOC) – The TMPOOC completed its work with the recommended adoption of the transportation master plan in November 2021.
- Liaison to other agencies – City Council may desire to appoint liaisons to other agencies not listed in the attachment, for example Sequoia Union High School District.

Impact on City Resources

There is no impact on City resources associated with this action outside of any associated membership dues, meeting related expenses, and/or staff assistance required and budgeted.

Environmental Review

This action is not a project within the meaning of the California Environmental Quality Act (CEQA) Guidelines §§ 15378 and 15061(b)(3) as it is a minor change that will not result in any direct or indirect physical change in the environment.

Public Notice

Public notification was achieved by posting the agenda, with the agenda items being listed, at least 72 hours prior to the meeting.

STAFF REPORT

City Council

Meeting Date:

12/15/2020

Staff Report Number:

20-272-CC

Regular Business:

Appoint City Councilmembers to various standing and ad hoc subcommittees, disband inactive ad hoc subcommittees, and direct a review of ad hoc subcommittee objectives and estimated duration

Recommendation

Staff recommends that the City Council:

1. Make appointments to City Council standing subcommittees
2. Make appointments to active City Council ad hoc subcommittees
3. Disband inactive City Council ad hoc subcommittees
4. Direct ad hoc subcommittees to return in January with their objectives and estimated duration

Policy Issues

City Council establishes subcommittees to expedite review and consideration of matters requiring City Council action. Standing subcommittees are ongoing with regular duties and their activities are subject to the open meetings act. Ad hoc subcommittees are limited in duration and scope and generally do not exist for longer than a year or a specified task. Ad hoc subcommittees are informal and their meetings are not subject to the open meetings act.

Discussion

Each year, after the City Council reorganization, City Council may make appointments to City Council standing subcommittees and ad hoc subcommittees.

With the number of ad hoc subcommittees and the addition a new City Councilmember, City staff recommends a more comprehensive review of ad hoc subcommittees in January. As part of the review, City Council may adopt objectives and estimated duration for all ad hoc subcommittees. Such a review and action creates clarity in expectations, allows staff to allocate sufficient resources to support ad hoc subcommittees, promotes transparency, minimizes the risk of overlap between ad hoc subcommittees, and protects against the inadvertent creation of a standing subcommittee. Standing subcommittees are subject to different open meeting rules by state law.

Attachment A lists current City Council subcommittees, both standing and ad hoc. Ad hoc subcommittees are further distinguished by active and inactive. City staff recommends that inactive subcommittees be disbanded.

Impact on City Resources

There is no impact on City resources associated with this action outside of any staff assistance required.

Environmental Review

This action is not a project within the meaning of the California Environmental Quality Act (CEQA) Guidelines §§ 15378 and 15061(b)(3) as it is a minor change that will not result in any direct or indirect physical change in the environment.

Public notification was achieved by posting the agenda, with the agenda items being listed, at least 72 hours prior to the meeting.

Redwood City, 94063
650-363-1802

TO: MAYORS OF SAN MATEO COUNTY
FROM: SUKHMANI S. PUREWAL, SECRETARY
SUBJECT: MEETING OF THE CITY SELECTION COMMITTEE

Councilmember Sue Vaterlaus, Chairperson of the San Mateo County City Selection Committee called for a virtual meeting of the Committee at **6:30 p.m. on Friday, December 18, 2020.**

City Selection Committee does not fall under Ralph M. Brown Act; however, on March 17, 2020, the Governor issued Executive Order N-29-20 suspending certain provisions of the Ralph M. Brown Act in order to allow for local legislative bodies to conduct their meetings telephonically or by other electronic means. Thus, pursuant to Executive Order N-29-20, local and statewide health orders, and the CDC's social distancing guidelines which discourage large public gatherings, the regular meeting will not take place in Colma but instead will be held virtually via Zoom.

To join the Zoom meeting, please click the following link: <https://smcgov.zoom.us/j/94000183025>. The meeting ID is 940 0018 3025. If joining via telephone, please dial +1-669-900-6833 and enter the meeting ID: 940 0018 3025, then press #.

Re: Appointment to Association of Bay Area Governments (ABAG) – Executive Board of Directors - Cities Representative

Dear Honorable Colleagues

I am writing to ask for your support as I seek appointment to one of the two ABAG Executive Board open seats representing Cities in San Mateo County. I recently completed duty as a member of the Housing Methodology Committee. I continue to serve as a member of the Regional Planning Committee at ABAG to which I won appointment at the August 23, 2019 meeting of the City Selection Committee.

For most of my life, I worked as a carpenter constructing residential buildings ending my building career as a Superintendent executing tenant improvement projects in hospitals and laboratories. In 1998, I became employed by the Northern California Carpenters Regional Council. In that capacity I represented Carpenters in five counties. It was a huge responsibility and one that I'm very proud of. I retired from that career in 2011.

I have been officially working on land use, public works and governance issues in the City of San Mateo since 2001, when I was appointed by the City Council to the Bay Meadows and Transit Corridor Citizen's Advisory Committee. Following that three-year assignment, I was appointed to the Public Works Commission where I learned and served dutifully for six years. Following that I was appointed to the Planning Commission where, I was the Chair, when I was appointed by a unanimous vote of the Council to fill a vacant Council seat.

I have been a member of the San Mateo City Council for six years and have been appointed to, and very active in, San Mateo County's local Joint Powers Authorities and advisory committee's since February 2015.

Regarding board positions on the County's JPA's: I started working in 2014 to create Peninsula Clean Energy which commenced operations in 2016 with a unanimous vote of every Council and Board of Supervisors member. I have been a Board member and member of the Executive Committee there for several years. I have been a Board member and Chair of the Finance Committee at Commute.org. A board member and vice chair at HEART. A Board member and member of the Zero Landfill Committee at the SBWMA. I am been serving as a member of C/CAG's Congestion Management and Environmental Quality Subcommittee. I have been serving as the City's representative and voting member to the League of California Cities. For the last two years, I have also served as a member of the League's Governance, Transparency and Labor Relations Policy Subcommittee. Very recently, I received a presidential appointment to serve as the vice chair of this same subcommittee for this year.

As a resident of San Mateo County since 1958, I feel a very strong sense of purpose in working to make the Peninsula and Bay Area the best housed, most efficiently transited and most environmentally sound region that it can be. Heretofore, we have had an extremely efficient and productive economy. I intend to work

hard to return our economy to its former prominence while also bringing equity to all of the people in our jurisdictions. I promise to proudly and assertively represent the interests of our San Mateo County residents to the best of my abilities.

I appreciate the huge volume of hard work that ABAG has done over these many years and would be deeply honored by your appointment to serve representing the Cities of San Mateo County. Please feel free to call me at (650) 430-9171 or email me at rbonilla@cityofsanmateo.org if you would like to discuss my candidacy.

Thank you,

Rick Bonilla
City of San Mateo Council Member

December 4th, 2020

Dear fellow San Mateo County Colleagues, Vice Mayors and Mayors,

I respectfully submit my application for your consideration to represent the 20 cities and towns on the ABAG Executive Committee as San Mateo County's representative.

San Mateo County is a model of what is possible when leaders and stakeholders are focused on results, respect and progress. While we have more jurisdictions than any other county, we have a history of effective collaboration on housing that other counties aspire to. The COVID-19 pandemic has crystalized for me that our County shares a special bond which is focused on collaboration over conflict. With that model in mind, I am interested in representing all of San Mateo County's cities - all sizes, all geographic locations, all ethnic compositions, and across the spectrum of capabilities to create new housing under ABAG's proposed Regional Housing Needs Assessment (RHNA) allocations.

It is time for ABAG to acknowledge and give credit to the hard work taking place in counties like San Mateo for our individual and collective efforts to create more housing across all AMI affordability levels. My goal if allowed to represent our County in this ABAG appointment will be to work with ABAG, MTC, and the State Legislature to give RHNA credit on policies that truly help the housing needs of our communities while respecting the diversity of our communities including:

- Allowing family-sized units of two and three bedrooms approved for development to be counted equivalent to two and three units toward RHNA allocation goals. In the other words, focus on the number of people being housed, rather than just "housing units";
- Allowing existing rental units which are purchased by affordable housing groups like HIP Housing and refurbished and deed-restricted as BMR units for 55 years to be counted toward RHNA affordable housing allocation goals;
- Allow fully entitled residential units approved by city and town councils, but for circumstances beyond a city's control not constructed, to be counted toward RHNA allocation goals;
- Ensure housing that aims to reduce homelessness in the form of college dormitories and micro-housing counts towards RHNA goals;
- Ensure San Mateo County gets its fair share of funding for affordable housing.

In addition to these specific ideas, I believe I have the passion, tenacity, and collaborative style to be a regional voice on housing. My experience includes almost seven years of evaluating entitlements for thousands of housing units and hundreds of affordable housing units as a public servant. This has given me the opportunity to see what has worked well and what has not. I have seen first hand the funding struggles non-profits and cities go through to produce affordable units. I know that affordable housing goals will not be met simply by adopting a RHNA number. Funding has to be available to support these projects.

I offer the following three strengths that will be useful for representing San Mateo County well in this role that requires balancing regional collaboration with local control:

- Team player. During Covid I partnered with Councilmembers, childcare advocates and Supervisors Pine and Groom to champion the creation of the \$4.5M San Mateo County Covid Relief fund. This fund works to ensure the childcare our residents and businesses need for a full economic recovery. All funds were distributed to childcare providers across our County using a need and equity-based equation.
- Strategic thinking. I have a career background in corporate and marketing strategy and know how to position the significant work of San Mateo County against the larger counties with big cities. We must ensure the good public policy decisions coming out of San Mateo County are recognized and respected. I recently sat on the Peninsula Clean Energy Strategy strategic plan committee where we prepared a bold strategic plan for the next decade.
- Technology and Innovation. I understand the power and potential of social media to influence public policy and decision making. San Mateo County can be just as impactful as San Francisco or San Jose if we are smart and strategic in our advocacy. I recently worked with Assemblymember Mullin on the creation of AB992 "Modernizing the Brown Act" which was the most significant update to the Brown Act since its inception in 1952 and gives local elected officials the ability to use social media to communicate with constituents. AB 992 was signed into law this year by Governor Newsom.

My vision for this role is to ensure San Mateo gets credit for the great work we do on housing and gets our fair share of funding. Our regional programs must incentivize the right behaviors and metrics like RHNA should capture the real progress made towards goals that help our residents. I believe I can be effective in navigating the trade-off decisions that need to be made for our County and region and I humbly ask for your support.

I can be reached at 650-521-2134 or ghale@redwoodcity.org for your questions.

Respectfully,

RE: Appointment to the Association of Bay Area Governments (ABAG)

Dear Honorable Mayors and Councilmembers,

I am seeking your support for an appointment to the Association of Bay Area Governments (ABAG) representing San Mateo County.

As one of the first Filipino Americans elected to the South San Francisco City Council, I understand how important it is to have a seat at the table. I currently serve on the Board for HEART of San Mateo County, which provides opportunities for San Mateo County residents to become first-time homeowners. I am also a member of the Peninsula Division of the League of California Cities, where I have served as the San Mateo County Representative for the Peninsula Division and now on the Legislative Action Committee. As a former aide to Assemblymember Gene Mullin and to Congresswoman Jackie Speier, I have over 10 years of legislative experience working on housing issues. I am also a member of the REACH Coalition, which addresses issues of racial and social equity in San Mateo County.

Currently, I am the San Mateo County Outreach Coordinator for Project Sentinel, a non-profit housing counseling agency that serves both tenants and landlords. Every day, I speak with tenants and landlords from all over the County seeking advice on their rights and responsibilities regarding housing issues. The volume of calls I have received at Project Sentinel has increased dramatically because of COVID. With the protections and eviction moratoriums of AB 3088 potentially ending in January 2021, there could be a tidal wave of evictions and foreclosures coming next year. COVID has created unprecedented challenges in housing and the economy. If selected to serve on ABAG, I will bring my valuable firsthand experience in tackling these COVID-related issues.

In seeking this appointment, I will be a representative for all cities in San Mateo County to voice your concerns, questions, and priorities to the entire ABAG Board. I have spoken with many of you about wildfire protections, affordable housing, transportation, the economy, and the environment. Having representation from both the northern and southern portions of our county will bring a balanced regional perspective to ABAG. I believe that my extensive experience on housing issues and my understanding of the County makes me a strong candidate to be your advocate on ABAG.

Thank you for your consideration.

All the best,

Re: Association of Bay Area Governments Appointment, City Selection Committee

Honorable Mayors and Council Members:

I respectfully seek your support for appointment to one of the open seats to the Association of Bay Area Governments (ABAG) Executive Board. I presently serve as an ABAG Board alternate member having participated as a voting member of the ABAG Executive Committee at eight meetings. On several of those occasions I was asked to attend with less than 24-hour notice and nevertheless fulfilled my duties.

My interest in serving on ABAG's governing board stems from a commitment to regional transportation and housing planning that couples appropriate local land use, sound economic and housing policies, and a firm respect for the environment. In particular, over the next two years, ABAG/MTC will be establishing the Bay Area Housing Finance Agency (BAHFA), a vital regional entity our cities need to fund development of moderate and low-income housing. My deep understanding of housing finance and development as an affordable housing developer and consultant positions me well to help move BAHFA forward.

I am well prepared to serve on ABAG given my four years as an ABAG alternate and current seven years of service as vice chair of both ABAG's Regional Planning Committee and its Housing Committee. Most recently, I served on ABAG's Housing Methodology Committee, grappling with a year-long process to determine our RHNA housing allocation methodology. Lastly, I also served three years as a Metropolitan Transportation Commission (MTC) advisory board member. San Mateo County cities must have someone at the table who can participate fully in the final stage of the MTC/ABAG merger. ABAG's far more democratic and deliberative governance structure must not be lost during this merger process.

San Mateo County cities are diverse and have numerous needs and sometimes divergent concerns. I promise to continue to listen and learn with the rest of you to find solutions and craft positions that address our local and regional needs without acrimonious debate.

I humbly ask that you support my appointment to ABAG. Please contact me should you have any questions concerning my candidacy. I may be reached at (650) 283-2852 or cromero_ezln@yahoo.com.

Sincerely,

Carlos Romero, Vice Mayor

And Assistant Clerk of the Board of Supervisors

Via this letter I wish to express my interest in serving as a regular member on the Domestic Violence Council (DVC). I have been a strong advocate for providing more direct services to families impacted by domestic violence in our City of East Palo Alto. With the support of the City Council a pilot project in conjunction with CORA (Community Overcoming Relationship Abuse) was established the last few years.

With a person available on the ground in the community, more people have been served, more collaborative relationships with community organizations have been forged and a continuing working relationship with the police department has been strengthened. Most important, people have direct and more trusting personal access to get help.

I think the Domestic Violence Council plays a critical role in bringing awareness and giving direction to possible preventive and enforcement efforts throughout the county. This past year I have attended most of the meetings and would like to continue my participation in a more formal way, and as an advocate representing the Council of Cities. We know that during this pandemic, family violence has increased. I am prepared to do my part in the work of the Domestic Violence Council as it addresses current and future challenges in meeting the needs of affected families.

Our experience in East Palo Alto can offer a model that could be adapted in other communities and benefit from our lessons learned. We also can learn from the expertise and experiences of other cities.

I respectfully submit this letter of interest and seek the support of the voting members of the City Selection Committee as they vote on December 18, 2020.

Dear San Mateo County City Selection Committee,

It has been my pleasure, these past four years, to represent you on the San Mateo County Housing and Community Development Committee (HCDC). I am asking for your support for another term.

For the past five years I have served on the San Mateo County Home For All Steering Committee and represented the County during the CASA legislative discussions. The HCDC is concluding its eighth NOFA and has allocated over \$180 million in Federal, State and County funding to support over 3,000 units of affordable housing in 43 different projects located throughout the County.

Currently, we are working on HCDC's 2021/22 Action Plan that includes a Covid-19 response and a focus on ending homelessness.

Thank you for your consideration of my letter of interest to serve another term on the HCDC.

Re: Letter of Interest for Appointment to LAFCO

Dear Chair Vaterlaus:

I'm writing to express my strong interest in serving as a Regular Member on the Local Agency Formation Commission, and respectfully request your support and appointment. My experience, leadership, skills set, and record of action on the Half Moon Bay City Council and in my roles elsewhere, illustrate my commitment and dedication to serving the community and San Mateo County.

I have served the community of Half Moon Bay on its City Council since 2016, including terms as Vice-Mayor and Mayor, and was just re-elected to the Council. My other public service experience includes serving on the San Mateo County Special Districts Association; the Coastside Fire Protection District Board; the Leadership Committee of the League of California Cities Coastal Cities Group, and as a founding member of the Peninsula Clean Energy Advisory Committee. I've also been active in volunteering with groups including the Executive Committee of the Sierra Club, Loma Prieta Chapter, the Coastside Emergency Corps (CEC), and other community service groups on the San Mateo County coastside. Additionally, I have been the Cities Local Agency Formation Commission Alternate for the last two years and I have attended all its meetings and participated as a voting member in many.

Many of these roles involve coordination with a variety of inter-governmental jurisdictions including the Coastal Commission, the Sewer Authority Mid-Coastside, and the Coastside Fire Protection District. As a member of City Council, I've also been involved with efforts involving Caltrans, the Highway Patrol, state-level elected officials, State Parks, and other agencies. The issues we deal with in Half Moon Bay are common to many local cities and agencies, and I believe my experience will be useful in assisting with the types of complex matters which LAFCO must address on a regular basis.

The common thread in my experience is my strong desire to serve the community in areas which I find of great importance to the quality of life of my constituents of today, as well as for the generations of the future. Our actions as policy-makers today must help ensure the well-

being of those future generations; and that action is particularly important and effective at the local and regional level. I believe this perspective can greatly contribute to LAFCo's efforts. Thank you for your consideration of giving me the opportunity serve on LAFCo. I write to request your consideration and support to be appointed to the Local Agency Formation Commission (LAFCO). I have just been re-elected to a four-year term with the City of Millbrae City Council.

I enjoy studying processes and how programs are supported and support local communities. I have a regional approach even in my work with the City of Millbrae. I commit to studying the issues and making recommendations that support all communities.

I would be deeply honored to receive this appointment. I promise to do all the required reading and be prepared for making difficult and critical recommendations to ensure the safety of our County. I look forward to hearing from you. Please feel free to contact me if you need any additional information in helping make this decision. Dear Honorable Mayors and City Councilmembers:

Thank you all for your continued work in service to your communities and beyond, especially during these trying times. It has been a pleasure and honor to serve as the Central Judicial Cities representative this past year. I am writing to seek your support for a full term appointment to the San Mateo County Transportation Authority ("TA") Board of Directors ("the Board") Central Judicial Cities' seat.

I am deeply grateful to have been appointed last year to fill the one-year vacancy. One of the accomplishments I am most proud of during my service this past year is initiating quarterly updates to increase communication and outreach to councilmembers, mayors, vice-mayors, and city staff. My intent for these updates is to highlight key decisions, issues, or opportunities important for city councils and policy makers to be aware of, rather than providing a recap of the agenda items of these meetings. I became acutely aware of the need for these updates after speaking with many of you about the TA and your suggestions for improvement.

The first update I prepared for you resulted in such positive feedback from my council colleagues in neighboring cities that the Transit District board and staff thought it would be beneficial to do quarterly updates on the activities and actions of the entire District. Now, District-wide quarterly updates are being prepared and disseminated and I serve as the TA board liaison to staff to identify those important topics of likely interest to councilmembers.

The TA plays a vital role in providing critical transit funding for expressly local investment supporting both capital and operational needs through Measures A and W. In the past year, we have experienced unforeseen setbacks in the world of transportation due to COVID-19 and I was gratified to perform the work of ensuring the sales tax revenue of Measures A and W were allocated appropriately and that the TA was able to continue to invest in efforts such as the Pedestrian and Bicycle Program for over \$8 million, despite the decrease in sales tax revenues due to the pandemic.

I am asking for your support so that I can continue to work with staff and my colleagues to find solutions to challenges the TA will face and take advantage of the opportunities it encounters. I will continue to ensure that equity is a consideration in awarding funding and, as always, as a board member, my "door" will always be open and your thoughtful input will always play a role in my decision-making.

I would be honored to have your continued support for this position.

If I can provide any additional information that would help you in making your decision or answer any questions at all, please do not hesitate to contact me at julia@juliamates.com or 650-533-3996.

Thank you for your consideration.

Sincerely,

Re: Letter of Interest for Appointment to San Mateo County Transportation Authority

Dear Chair Vaterlaus:

I'm writing to express my strong interest in being appointed to the San Mateo County Transportation Authority (SMCTA), representing Central Judicial Cities. I respectfully request your support and appointment. My experience, leadership, skills set, and record of action on the Half Moon Bay City Council and in my roles elsewhere, illustrate my commitment and dedication to serving the community and greater San Mateo County.

I have served the community of Half Moon Bay on its City Council since 2016, including terms as Vice-Mayor and Mayor, and was just re-elected to the Council. My other public service experience includes serving on the San Mateo County Special Districts Association; the Coastsides Fire Protection District Board; the Leadership Committee of the League of California Cities Coastal Cities Group, and as a founding member of the Peninsula Clean Energy Advisory Committee. I've also been active in volunteering with groups including the Executive Committee of the Sierra Club, Loma Prieta Chapter, the Coastsides Emergency Corps (CEC), and other community service groups on the San Mateo County coastside.

Transportation is a key issue among my constituents, and throughout the County. This is especially true during these unprecedented times, in the midst of the pandemic and its related economic impacts. Transportation is also an environmental issue, and as an active member of the Coastsides community, I've had a strong focus on sustainability and environmental protection. Additionally, through the City Council I've been involved in coordination with a variety of inter-governmental jurisdictions including the Coastal Commission, the Sewer Authority Mid-Coastsides, the Coastsides Fire Protection District Caltrans, the Highway Patrol, state-level elected officials, State Parks, and other agencies.

The common thread in my experience is my strong desire to serve the community in areas which I find of great importance to the quality of life of my constituents of today, as well as for the generations of the future.

Re: San Mateo County Transportation Authority city seat- Southern Judicial Cities Re-Appointment

Honorable Mayors and Council Members:

I write to seek your support for re-appointment to the San Mateo County Transportation Authority (SMCTA) Southern Judicial Cities seat. As past Mayor of East Palo Alto, former vice-chair of CCAG, board member of Commute.org, and an active participant in Council of Cities meetings, I have grown to know and engage many of you in transportation discussions affecting our cities. It is vitally important we listen to one another and collectively arrive at decisions that affect our cities. As a diverse county we must cooperate, and reach reasoned and sustainable transportation decisions that address the urban and rural growth challenges.

Over the last two years I have played a meaningful and effective role in developing SMCTA's newest strategic plan that sets forth a comprehensive blueprint for funding our transit, roadways, and non-motorized forms of transportation cost effectively, efficiently and equitably. During this period, I have also brought to bear a deep experience in finance and financial oversight gained from my professional experience as a developer and affordable housing consultant.

In these challenging times grappling with the human and financial impacts of the COVID-19 pandemic, the SMCTA will play a pivotal role in prioritizing, and leveraging our local monies to allow our cities to guarantee the flow of funds for transit, bike/ped, road and highway improvement projects. Among the many projects and priorities that must be balanced are the implementation of complete streets, shuttles, the Hwy 101 Managed Lanes Project, much needed grade separations, and TDM, to cite only a few. My present seven years on ABAG's Regional Planning Committee and my educational background at Stanford and Harvard where I studied urban economics, urban planning, real estate finance, and transportation studies have been essential in understanding the complicated finances and activities of the SMCTA.

I am always mindful of the diversity of our cities, our numerous needs, and our sometimes-divergent concerns. I will always engage in reasoned discourse, respectful of all positions, that seeks innovative, collaborative and truly effective solutions that maintain and improve our transportation options sustainably.

I humbly ask for your support. Please contact me should you have any questions concerning my re-appointment. I may be reached at (650) 283-2852 or by email: cromero_ezln@yahoo.com.

STAFF REPORT

City Council

Meeting Date:

12/15/2020

Staff Report Number:

20-270-CC

Regular Business:

Introduction and first reading of Ordinance No. 1074 amending Ordinance No. 924, modifying the City Council's regular meeting schedule and adoption of 2021 City Council meeting schedule

Recommendation

Staff recommends that the City Council and introduce Ordinance No. 1074 (Attachment A) amending Ordinance No. 924 (redline version Attachment C), modifying the City Council's regular meeting schedule and adopt the 2021 City Council meeting schedule.

Policy Issues

According to the City's municipal code (Code), Section 2.04.010, "A regular meeting of the City Council shall be held on each Tuesday of every month commencing at seven p.m." Historically, the City Council has taken action to determine which Tuesday(s) of the month the regular meeting(s) would be held. The proposed action amends Ordinance No. 924 and adopts a set City Council monthly meeting calendar for the second and fourth Tuesday, commencing at 5 p.m., similar to the 2020 calendar year. Attachment C is the 2021 draft of the proposed schedule.

Background

State law requires the City Council to publish in advance the days and times of all regular public meetings. Establishing regular meetings is important because certain actions (such as adoption of ordinances) can only be taken at regular meetings. This can be done through an ordinance establishing regular hearing dates and times, by adoption of a resolution every year or a combination of ordinance and resolution. The current Municipal Code establishes every Tuesday at 7 p.m. as a regular City Council meeting.

Pre-2019, the City Council set the meeting calendar annually at their December meeting. At the October 1, 2019 City Council meeting, staff proposed an established calendar of monthly meetings occurring on the second and fourth Tuesday. Having a predictable meeting schedule makes it easier for the public to attend and makes scheduling of other city and regional commission meetings more convenient for city council, staff and the public.

Analysis

For the 2021 City Council regular meeting calendar, staff is proposing the same occurrences as 2020 (second and fourth Tuesday of the month) and requesting modification of the start time from 7 p.m. to 5 p.m. The Code currently states that regular City Council meetings are every Tuesday commencing at 7 p.m. In light of the current pandemic (COVID-19), 2020 regular City Council meetings have commenced at

5 p.m. In order for regular City Council meetings to continue on the second and fourth Tuesday of the month and start at 5 p.m., an amendment to the Code is required through the adoption of an ordinance.

Once a meeting schedule is approved by the City Council, it will be used by staff to create a tentative calendar to identify when items will likely be considered by the City Council. It is important to note that the tentative calendar is a fluid document that serves as an ongoing reference guide, and that items are frequently rescheduled. The City Council is requested to keep Tuesday evenings free so that meetings, including closed sessions or study sessions, can be scheduled as special meetings as the need arises.

Alternative approach

If the City Council chooses not to amend Ordinance No. 924, then, according to the current Code, the city clerk will post notices of cancellations on every Tuesday there is no City Council meeting. Also, if the City Council desires to continue with the 5 p.m. start time, these would be agendized as special meetings. In accordance with the Brown Act, 54954.3 (a) (Attachment D), special meetings allow for public comment on agendized items only (e.g., no general public comment for non-agendized items.)

Potential amendments to the proposed schedule

Religious observances

At this time the known conflicts with the second and fourth Tuesday schedule are:

- April 13, 2021 – Yom HaZikaron
- September 28, 2021 – Shemini Atzeret
- September 28, 2021 – Simkhat Torah

Staff has proposed the following rescheduling of these two meetings:

- April 20, 2021 (special meeting)
- September 21, 2021 (special meeting)

Proposed special meeting(s)

- January 19, 2021 – goal setting (special meeting)

Summer vacations

Pre-2020, the City Council has held one regular meeting in both July and August in recognition of summer vacations. If the City Council desires to continue the past practice, staff recommends skipping the July 27 and August 10 meetings.
